

## **Children's Lenten Project: Scripture Memory Book**

### **Help Us Stroll Down Memory Lane**

### **Share Favorite Scripture For Us To Memorize**

Many of us have scripture that we learned as children that somehow remains memorized. How this works is truly remarkable, but we can all attest to its truth. It may be *The Lord's Prayer* or the *23rd Psalm*, or it may be something more specific to our upbringing. When hard times come, as they do for all of us, we are comforted by having God's Word written on our hearts and in our memories.

For Lent this year, the children will be making Scripture Memory Books that will include a variety of Bible verses that the children will choose from. Some of the children may even share a favorite passage in a worship service. And, we invite you to help.

- 1) We need a few church volunteers during Lent to hear individual children recite their chosen scriptures, one-on-one. Ask Martha for specifics.
- 2) We invite you to suggest Scripture for the children to memorize. Some can be short verses such as John 3:16, while other suggestions might include a longer passage such as *The Beatitudes* or verses from a much-loved Psalm.

Below is a form that you may fill out and return to the Church Office or that you may place in the Offering Plate on Sunday. Thank you for helping us with this project. Together we will help write God's Word on our children's hearts!
