We're happy to announce a *Drive-Thru Halloween* event at Mount Pleasant this year. As part of this Drive-Thru outside festivity, our volunteers will be handing out candy bags that include Bible stickers, scripture passages, Halloween novelties, plus information about our church. We will wear our masks and cheerfully offer our very best waves and smiles to all the children who come!

Please help us get the word out to friends and neighbors. Please put up the poster on the back of this insert, or share this information in other ways. Families will be looking for places to go on Halloween, so invite children and families to our Drive-Thru where they'll be greeted by candy and family fun!

You're invited to help us hand out candy and may wear your favorite costume if you'd like.

We're planning a fun and safe event for all!
