

KZKZ QUARTERLY REPORT

(3rd Quarter July-Sept) 2016

During the 3rd Quarter of 2016, (July-Sept) KZKZ aired programming that addressed issues of local concern. These issues included accident reports on local roads and highways, voter registration, vehicle break-ins, sexting and harmful apps for children, street improvements, and local city budgets.

On September 28th, we did a 2-hour broadcast from the 2016 Healthcare Conference at the Fort Smith Convention Center, interviewing several of the vendors about long-term healthcare, benefits, and long-term insurance.

We played back audio clips from a citywide prayer meeting that took place with local pastors and law enforcement personnel.

We also did 5 minute interviews during the Morning Show. A list is attached.
