

# KZKZ QUARTERLY REPORT

(2<sup>nd</sup> Quarter Apr-Jun) 2016

During the 2<sup>nd</sup> Quarter of 2016, (Jan-Mar) KZKZ aired programming that addressed issues of local concern. These issues included accident reports on local roads and highways, voters registration, local terrorism threats, home improvement scams affecting the elderly, and vehicle break-ins in Fort Smith and Van Buren.

During May and June, we did a 6-week promotion, partnering with Burton Pools and Spas and the Community Services Clearinghouse. We did broadcasts from local businesses and collected food items and monetary donations for the Clearinghouse. Hundreds of dollars in donations and hundreds of pounds of food were collected for the Clearinghouse, which provides food for needy families.

We did a day-long promotion in June with local law officials during their Torch Run For Special Olympics. Police officers did live breaks on the air as they traveled through different towns and raised funds for Arkansas Special Olympics.

We also did 5 minute interviews during the Morning Show. A list is attached.
