

# Wyandotte Family Membership Overview

## Defining Membership at Wyandotte Family

We have two types of membership at Wyandotte Family. Please see below for specific details about each one.

### General Membership:

- A general member is a regular attender of Wyandotte Family. Whether one regularly attends our connection groups or one of our Sunday morning gatherings, one is considered a member and an important part of our family.
- Being a general member allows you the opportunity to become a part of one of our Sunday morning ministry teams.
- Being a general member allows you the ability to serve at various levels of leadership (event coordinator, team captain etc.)
- Being a general member allows you to take the next step into “next step” membership.

### Next Step Membership:

- A Next Step member is a general member who has filled out the Next Step membership application and has agreed to the Next Step membership covenant.
- Being a Next Step member allows you the opportunity to experience all of the above from general memberships plus the following.
  - Being a Next Step member allows you the opportunity to serve at some high level core leadership and director leadership.
  - Being a Next Step member allows you the opportunity to serve on the official leadership team “boar.”
  - Being a Next Step member allows you the opportunity to nominate official leadership team members at family meetings.
  - Being a Next Step member allows you the opportunity to ratify leadership team members at family meetings.
  - Being a Next Step member allows you the opportunity to vote at special family meetings when the opportunity arises.

Here at Wyandotte Family we are truly a community of people working together to make it simple for people to find and follow Jesus. If you would like to learn more about becoming a Next Step member please see the Next Step membership covenant and application.
