***"So I will restore to you the years that the swarming locust has eaten."
Joel 2:25***

*I have more and more conversations with people about how quickly time flies. Truly, it seems like we were just promoting the events of the summer and now we are heading into fall. It reminds me of the phrase that I often repeat to remind myself and others to "squeeze every drop out of every day." When Joel talks about God restoring the years that we have allowed the cares of life to eat-away at our joy, he is reminding us of God's power to restore life to our years. In other words, God has a way of pouring a whole lot of purpose into all that remains of our life. That's exciting! There is no greater purpose than the purpose God has for your life! Don't hesitate to surrender all of you to all of Him. May we live every day focused on His purpose and in His favor.
In the Light of His Love,*

SEPTEMBER 2025

September is HIS Crew missions month. Our theme this month is Having a Heart for Others, based on John 4:35 where Jesus said to lift up our eyes because the harvest is ripe already. When Jesus said to lift up our eyes that meant to get our eyes off ourselves and be able to see others. I know it's hard to imagine, but there are so many around us who have never heard about Jesus and it's our responsibility to tell them about Him, but how? During September, we're going to be studying about that and looking for ways to be on mission to our family, community, church and the world. It's going to be fun so be sure to join us! Serving Him, Mrs Suzanne
