***"Beloved, let us love one another, for love is of God."-1 John 4:7a***

*I once heard someone say that the most powerful words in existence are these three words, "I love you." While it is true that those are very powerful words when they come from someone who means it, I believe THE most powerful words in existence are these three, "God loves you." As a matter of fact, the only way we can truly love anyone is through the love of God. In this month of February while we are hearing so much about love, let us remember these words inspired by the Holy Spirit in 1 John 4:7, "love is of God."*

Pastor Gary*

# FEBRUARY 2026

(Grades 1st thru 5th)

I read the other day that the National Retail Federation reports that Americans spent around \$27.5 billion on Valentine's Day last year. That averages out to be \$188.81 for each person. The top gifts are still flowers, chocolate, jewelry, cards and dining out. People tend to spend big money on their special person, their family, friends and even pets. As I was thinking about this, God reminded me that He still gave more than any one of us could ever give because He gave us His only begotten Son. The gifts we buy don't last, but the gift of His Son lasts forever. We buy only for those who are special to us, but His gift is for all people. Our love is conditional, but His love is unconditional. There is no gift on earth that even compares to the value of God's gift to us! John 3:16 says: "For God so loved the world that He gave His only begotten Son that whoever believes in Him will not perish, but have eternal life."

Serving Him, Mrs Suzanne
