Summer Fun Around the Area:

There are so many great activities that have gone on this Spring and now as Summer begins. Our churches are reaching their communities through children’s activities of all kinds. Fulfilling the Great Commission by loving and teaching our children is such a blessing!

IT’S CRAFT DAY!
FBC Floydada

What a great idea! Early this summer, FBC Floydada hosted a CRAFT DAY encouraging the children to come in and work with volunteers to complete a fun task together. The kids picked out a kit to complete and with helpers they hammered, cut, glued and painted the day away. What a wonderful fun way to share with the community and reach children with a time of fun and fellowship!

It was the next to last day of VBS when I was sharing the Gospel with a group of children. One of the challenges VBS has not come without challenges. Especially in rural areas, staffing can become an issue. As a pastor, I always desire to at least have the directors be a member of my local church. Today is not always possible. Youth and people in the community often help fill out the staff positions. Some VBSs have moved to the evening to help with the staffing needs. Both are action oriented to help burn off some of that excessive children's energy.

Most people trace the start of Baptist Vacation Bible School to Virginia Sinclair Hawes in New York City in 1894. That PASTOR AT FIRST BAPTIST OF PETERSBURG.
