Beyond...

In 2019, I want to encourage our church family to focus on going "Beyond..." "Beyond..." calls us to even greater things when it comes to Kingdom work in our communities. "Beyond..." takes us outside of our comfort zones to where God wants us to be. "Beyond..." means engaging our potentially-messy neighbors in relationship. "Beyond..." means a willingness to resolve conflict and extend forgiveness. "Beyond..." means striving, day-by-day, to be the men and women God wants us to be and has called us to become, by His grace.

"Beyond..." also means making some positive change in the hearts and attitudes of our leaders, including myself. I have challenged our Leadership Team to begin asking this question in 2019, "How can we make our ministry awesome?" Part of being "awesome" is asking God for wisdom and direction, since He is the only One who is truly awesome!

I want to encourage all of us to cultivate a healthy discontent with the status quo in the coming year—no longer content with remaining comfortable, but allowing God to stretch us as we go beyond where we are to where we *can* be with God's help. What is YOUR "Beyond..."?!
