

Congratulations, Fracia!

It's official! Fracia Workman has retired from her work as a paraeducator, bus driver, class sponsor, coach, and much, much more at Southern Schools. Those are just her titles, but she has been much more than that over the past 30 years at Southern, befriending and mentoring many students over the years, as well as their families. During her time at Southern Fracia made a habit of showing grace to others while demonstrating her love for Jesus Christ. One little boy remarked to his mother that he wasn't going to school if Fracia wasn't his bus driver! 😊 What an impact she has had over the years on generations of children in our communities, which will continue through her ministry in our congregation and our communities.

Fracia has also retired from her job at Wal-mart, where she has worked for the past fifteen years, in addition to her full-time job at Southern Schools. We will miss connecting with Fracia in the check-out line at Wal-mart.

As mentioned above, Fracia Workman has retired from her jobs at Southern Schools and Wal-mart, but she has NOT retired from ministry. Fracia will continue functioning as our youth area leader here at Wymore Church of Christ, and she will also be taking on new responsibilities at the Laughlin-Hoebet Funeral Home here in Wymore as their funeral assistant. She will be moving to the apartment located above the main area of the funeral home in the very near future.

Fracia, we love you and are excited to see what God will be doing through you in the coming years, as you continue serving others and reflecting Christ to our kids, our communities, and our congregation. Many prayers, sister! 😊

Worship Re-Opening!

On behalf of our elders, we're excited to announce we will once again be hosting two in-person worship times on **Sunday mornings beginning June 7**. While there will still be no nursery, no junior worship, no Sunday School classes, no small groups and no Sunday Café, we WILL be able to worship together in the same room and at the same time. We encourage those who have been worshipping with us in-person at **8:00 a.m.** to continue doing so, leaving room for more people to participate at **10:45 a.m.**

We will do our best to make sure every person who wants to worship live and in-person is able to! **Activity packets** will be made available to preschool-3rd grade children in our foyer. Bulletins and pre-packaged communion will be available in your seats.

Our sanctuary, foyer and restrooms will be sanitized after 8:00 a.m. worship. *(If you would like to volunteer to help clean between worship times, please contact our church office or Dee Ann Frerichs!)*

We also remind you to please sit with those in your household in areas marked out for you in our sanctuary. Thank you so much for bearing with one another in love as we navigate these unsure times, and we hope to see you THIS Sunday!

Welcome to the Family!

Our congratulations and prayers go out to **Cheryl Farley** who was **baptized by Clayton Lundstedt** here at Wymore Church of Christ the afternoon of **Sunday, May 31**. Cheryl has worshiped with us on many occasions over the past year and **could not wait any longer** to express her faith in Jesus Christ and to be baptized into Him. Please join us in **praying for Cheryl and her continued growth** as a follower of Jesus!
