

Veteran's Recognition

We will be honoring our veterans in both services on Sunday, November 9. If you have served in this way, we invite you to come and participate. If you know someone who has served, this is a great opportunity to invite them to come to worship with you on November 9. Thank you to all those who have defended freedom, and those who continue to do so. You are appreciated!

Thanksgiving Baskets

We will once again be collecting donations of food and finances to pack Thanksgiving baskets for families who could use some encouragement this fall. We will take donations of canned goods and dry goods, along with monetary donations that will be used to provide a turkey or ham to each family. You may bring your items to our church foyer from November 2 through November 21.

Our FUSION students will be packing and delivering baskets on Saturday, November 22. Thanks in advance for blessing people in our community who are in need!
