fully devoted followers of Jesus!*

What Will You Do to Bring Somebody to Jesus?

At the outset of Jesus' ministry, people crammed into the house where he was staying in the city of Capernaum. They filled the courtyard of the house and spilled out into the street. With no room to approach Jesus, four men carried their paralyzed friend to the roof, then dug through the thatched roof above Jesus to lower him down. Jesus healed the paralyzed man and forgave his sins. Jesus brought healing and wholeness into this man's life. What will you do to bring somebody to Jesus? The rubber meets the road in a very real way when we ask that question of our children's ministry. One of our kids, Ayden, has an electric wheelchair that she has to take outside and around the church building to gain access to our Kid Zone. While Ayden is quite literally willing to roll with this scenario, our church leaders strongly believe this needs to change. Others also lack access to all parts of our building. Those with canes, walkers and wheelchairs struggle to open our bathroom doors, let alone our main entrance doors. Because of these challenges, we have developed a handicapped accessibility plan which will include push-button electric door openers on our main entrance and handicapped restrooms. We also plan to install a keyed-access lift to transport people directly to the Kid Zone, allowing all people, regardless of mobility, to access our building. All this will take is money... and faith. After raising \$15,000.00, we can install the electric door openers. When we get to the \$45,000.00 mark, we can order the lift and start installation. The total cost of this entire project is \$82,656.09. While this is a hefty price tag, we are confident the Lord will provide through His people. What will YOU do to bring somebody to Jesus? These four men dug through a roof. Would you contribute to this cause to bring more children to Jesus? We invite you to give toward this project through our offering box or online at wymorechurch.com by designating your offering toward the "lift." Thank you for contributing to this project to help bring even more people to Jesus!
