North American Christian Convention coming to Kansas City in June

Everyone is encouraged to attend this year's **North American Christian Convention on June 27-29**. It is the closest to Clay Center it may ever be -- just down the road in Kansas City!

With [24 speakers](#) spread over 3 days, and [workshops](#) covering everything from reaching millennials and mobilizing baby

boomers to soul-keeping and new ideas for the worship arts, this convention brings in thousands of Christians from all over the continent every year. It's not just for pastors, elders, and ministry team leaders -- it has something for everyone!

There is a cost to attend, but fees are very reasonable and family rates are available.

[Register here](#). Have questions from someone who's been there before? Contact the church office to learn more.
