

Intersection Groups

Intersection Groups to begin next week

Over the last month and a half, we have been telling you about the Intersection Groups starting this fall through Clay Center Christian Church. This Sunday will be your first opportunity to sign up for one of these groups.

Intersection Groups are going to meet 3 or 4 times over a 4- to 6-month period. We would like the people in the group to invite others who don't know Jesus or don't have a church home into their groups.

We encourage you to join in one of these groups for a couple reasons:

1. You will be able to form stronger relationships with others in the church -- Sharing a meal together has a way of drawing people closer together.
2. You will also be able to help people who don't know Jesus or those who don't have a church home to get to know those in the group and form a relationship with Jesus -- This means that you have a chance to help people have a more positive first experience with Jesus. Hopefully, they will then eventually going to church as well.

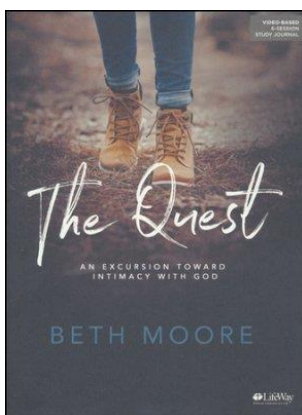

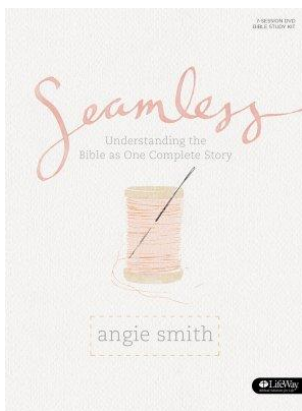

If you would like to host one of these groups or have any questions, please contact Nathan Brands at nathan@ccchristian.org or 402-762-3824.

Special Congregational Meeting to Vote on Parsonage Proposal this Sunday

A special Congregational Meeting will be held this **Sunday, October 8**, following the Worship Service, to vote on the proposal to transfer ownership of the Clay Center Christian Church parsonage. We need your vote to make the final decision, so please plan to attend. Absentee ballots are available in the church office.

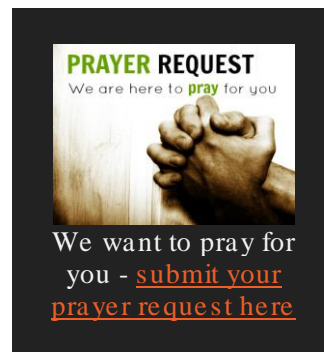

We hope you were able to attend one of several in-home meetings offering information and a time for discussion on this proposal. If you have further questions, contact Lyle VonSpreckelsen at 402-984-1218.
