

Christmas Home Mission seeking donations for families in need

The Benevolence Ministry is taking monetary donations for this year's Christmas Home Mission. These funds are used to help families in need who have been involved in our church in some way.

The past several years, we have purchased groceries, food certificates, and gas cards. We make fruit baskets that are taken to our mature members who are in care facilities or still in their homes. We also give baskets to staff and those families who have had health issues during the year.

Each year, the needs increase and thankfully so does the amount given by you. It's easy to see God at work through this mission.

By caring for each other, we are sharing the love of Jesus Christ. If you would like to support this mission, you can drop a check or cash in an envelope in the offering plate and make a notation for "Christmas Home Mission" in the memo or envelope. Thank you so much for your donations!
