

Christmas celebrations begin this Sunday

Join us at Clay Center Christian Church on **Sunday, December 11**, as we get into the spirit of the season with two of our annual Christmas events:

We will begin the day with the [Children's Christmas Program](#) at 10:30 am in the Worship Center. With the theme of "12 Symbols of Christmas," children ages 2 years to 5th grade will guide the Worship Service through a skit, Scripture readings, and songs -- explaining how tree ornaments, holly, cookies, and other traditional Christmas symbols aren't just for fun but serve as reminders of Christ's love for us.

Parents, please have your children in the Worship Center by 9 am this Sunday, December 11, for a dress rehearsal before the Children's Christmas Program.

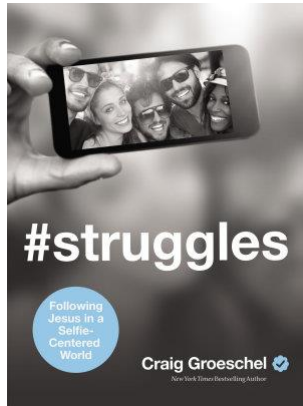

We hope you will plan to stay for [Soup & Caroling](#), following the Children's Christmas Program. A soup lunch will be served in the Fellowship Hall. Later join us for caroling in Clay Center, Fairfield and at Harvard Rest Haven.

We will also be delivering Christmas Home Mission food baskets.

*Everyone is invited as we take these opportunities for
Christmas celebration and inspiration!*

Upcoming Events
