

Celebrating Christmas with children, soup, caroling, and area ministry

How have you celebrated the Christmas season so far...perhaps by eating candy canes, decorating your tree, wrapping gifts, and baking cookies?

These are among 12 common holiday items that can serve as reminders of the true meaning of the season -- the birth of Jesus. We hope you were able to watch the **Children's Christmas Program** last weekend as the children performed "12 Symbols of Christmas."

If you were unable to come, or if you would like to see it again, [video](#) and [photos](#) of the event are now available.

More than 160 church family members and visitors were invited to stay for **Soup** following the program, before **Caroling** teams formed to deliver approximately 50 Christmas Home Mission food baskets to the homes of elderly individuals and families in need in 6 area communities. [Read more about these events here.](#)

We hope you are having a blessed season ~ [join us](#) for more Christmas celebrations in the coming weeks!

Upcoming Events

Join us this **Sunday, December 18**, at 10:30 am through Pastor Kevin Whitmore's message, "The Gift"

Help minister to those at Harvard Rest Haven on **Sunday, December 18**, at 3 pm
