

## New Sermon Series Explores the Gospel of Mark

Last Sunday, we kicked off a new sermon series at Clay Center Christian Church, "Exploring Mark." A 10-week study on the book of Mark, this sermon series will highlight the beginning of Jesus' ministry, here on earth.

Mark is a fast-paced Gospel, described by scholars as a passion narrative, referring to its account of the suffering and death of Jesus. In Mark, we learn all about Jesus -- who He is and why He came to earth for us.

### **Mark gives us the best of the good news!**

We learn how Jesus, our Messiah, is a savior who serves while also being a servant who saves.

Come join us in this journey together through Mark as we learn what it means to sacrifice, to serve, and to love.
