

## Guest Speaker Coming This Sunday

*Greg Swinney of Crossroads International Student Ministries to share on Gospel of Mark*

This **Sunday, February 26**, we welcome Greg Swinney of [Crossroads International Student Ministries](#) as our guest speaker. Hear him speak on the Gospel of Mark during [Clay Center Christian Church's](#) Worship Service at 10:30 am in the Worship Center.

**Crossroads is a [mission](#) supported by Clay Center Christian Church.**

Greg lives with his wife Laurie in Kearney, NE, where he has served with Crossroads since 2010 as Ministry Facilitator -- though his passion for outreach to international college students has been going strong for more than 30 years.

As Statewide Ministry Director with [Christian Student Fellowship](#) (CSF) for 26 years, he led the outreach efforts on 5 Nebraskan university campuses including the University of Nebraska-Kearney where campus ministries from across the country have sent interns to train in the unique setting of the Midwest.

At the heart of campus ministry to international students is an understanding of God's greater impact. These gifted students come from influential homes and will have the opportunity to spread the message of Jesus to many in their chosen careers and in countries around the world.

International students come here eager to meet Americans, but lonely being so far from their families. Greg has shared their joy as friendships formed, nurtured their curiosity as they asked questions about Christianity, and opened doors of opportunity as students came closer and closer to following Jesus.

As more and more international students stepped out in faith into the waters of baptism through the work of CSF, Greg knew the need could not be met in Nebraska alone. Along with a newly formed national Board of Directors, Greg and Laurie established the national ministry, Crossroads International Student Ministries.

Crossroads assists churches, Bible colleges, and campus ministries across the nation through informing, training, networking, and providing resources in ministry with international students.

Greg's current role with Crossroads is to equip others in reaching more than 1 million international students, and visiting scholars studying in the United States.
