

Come ready to work Saturday

Church Work Day to focus on the playground

Among our values here at [Clay Center Christian Church](#) is family.

We demonstrate this in many ways -- through children's and family events such as a Movie Matinee this past weekend, our Children's Easter Festival on April 9, and Vacation Bible School to be held July 17-21. We also offer specially designed Bible classes for children as well as their parents, including marriage and parenting classes.

Another way to serve our families is by providing a safe and fun place for children to play.

This will be accomplished by finishing our new playground. We need your help on completing the next step on the playground. On **Saturday, April 1**, during our Work Day, we will be finishing the groundwork so we can install the first piece of playground equipment. We will start working at 9 am and be done around 12 noon, followed by lunch.

If groundwork isn't your cup of tea, we will also have other projects to be done in the church, such as painting the walls.

This [Church Work Day](#) is a great opportunity to come together to serve and honor God in ways to better reach more families. We hope to see you then!

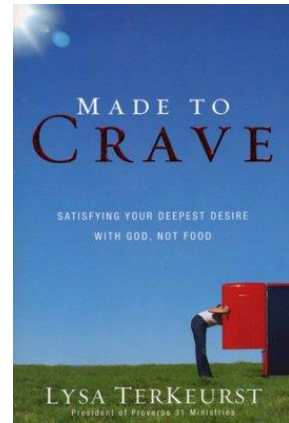

Upcoming Events
