Celebration Restoration

November 4th, 2018

Today marks a very special day in the life of Southern Heights Baptist Church. After much prayer, planning and providential care, we are blessed to come to this day and celebrate the awesome power and provisions of our Lord in the renovation of our facility. Because we are "Jesus Centered & Word Driven" we begin this special day celebrating the salvation the Lord Jesus Christ offers us through His death on the cross and His resurrection from the grave. Without Him there is no purpose nor meaning to anything we do here.

We will spend the entire service today celebrating all that God has done, giving all our focus and attention to Him. Today, through His Word and through the insights He has given us, we will celebrate: His **Providence, His Pottery, His Provisions, His Promises and the Power of Hope** through salvation in Jesus Christ. We will begin with Christ and we will end with Christ.

We have seen the Hand of God all through this past year as the renovation process began in October of 2017 and continued until now. Our desire today is to center our worship around all that He has done. Our church membership consists of people God has brought in with talents and willing hearts to make all of this possible. We are grateful that nearly all of our membership has had something to contribute to this massive project and we are very excited to celebrate the end result of God's powerful Hand.

This marks a new beginning for God's people here at SHBC. With a newly remodeled facility we are energized now to reach out to our community with confidence and boldness declaring the great message of salvation through Jesus Christ to a lost and dying world. Today, let us celebrate the beginning of new things as God has told us when He said, "The old has passed away, Behold! All things have become new".

Today during our Celebration time, Pastor Bill would like for everyone to stay in the sanctuary. There will be no children's sermon nor children's church today as it will be a great day for everyone to celebrate. There is a catered dinner following the morning service in Fellowship Hall for everyone.

There will be no evening service tonight due to the Grand Re-Opening this afternoon.

A special thank you to all who participated in yesterday's clean-up around the church preparing it for today's open house. What a blessing it is to see unity among God's people coming together because we are "Jesus Centered and Word Driven". Thank you.

Tuesday is the day for all American citizens to go to the polls and voice our concerns of the direction of our country. Do not take this privilege lightly as there is still a great deal of power in the voting booth. This is where we can make a difference and we must believe that we can, but we must make the effort to vote. May the Lord guide you as you make your decisions and vote your values according to His Word.

Next Sunday our youth will be conducting the morning service. Kevin and Fred and doing a wonderful job of guiding our youth group and we will be hearing them as they lead every part of the service. Let's pray for our youth as they grow in their faith and reach others for Christ.

Next Sunday evening we will be hosting a special time in our Fellowship Hall for all of our new members who have joined in the past year. It will be a time of getting acquainted with our new members and hearing from them as to their experience here at Southern Heights. The Hospitality Team will be providing a snacks and sweets for the evening.

Friday, November 9th is the deadline to return your packed shoeboxes for Operation Christmas Child. Our goal is 125 boxes, but we can go over that goal with God's help. Please consider taking several boxes to fill. You can find the boxes, labels and information you need on what and how to pack them on the organ bench in the sanctuary and in the front foyer. Don't forget to include your \$9 donation to cover shipping and project costs. (Make any checks to Samaritan's Purse or you can pay online and follow the path your box takes. If you do pay online, be sure to include a note that it has been paid online.) Barbara Riddle and Lisa Wisener are heading the project this year. What a blessing to be a blessing to children all over the world.
