 It truly was a "Silent Night" ..... Sing softly with reverence

Don't you find it a little bit odd all of the details of Christmas? Virgin birth? Big stars in the sky? Shepherds are audience to angels singing up in the sky? Voice of angel giving directions to a stable? Baby announcement given in the middle of the night? That's because God was in the details and He doesn't do things according to our way

of thinking. What a beautiful way to bring salvation to all the world by sending Jesus to be born in a humble manger. For all mankind. Aren't you glad God does things His way? I am.

*You are invited to a Reception in Fellowship Hall following tonight's service.*
