Responsibilities after Building Use

Please note that it is the responsibility of the group or individual using the facility to set up, clean up and return the facility to normal setup after the approved event or activity.

1. Collect all garbage into bags and bring it out to the dumpster located by parking lot.
2. Wipe off tables. If food or drink is involved, wipe all tables clean using a mild soap and water solution.
3. Return all tables, chairs, and other equipment to their proper places after your event. Return all rooms used to their normal set up.
4. If using the kitchen, please wash and dry all dishes used and return them to the correct cupboard. Take all extra food and beverage with you unless specific plans for usage have been made. Wipe counters and leave kitchen clean and ready for the next use.
5. Sweep floors and mop as needed. Report any damage to equipment or property promptly to the office.
6. Remove any items put up on the walls or set out in connection with your event.
7. If the building is not in use when finished, please check that all doors are locked and lights are off.

Technical Sound and Lighting

1. Use of the sound equipment in the Worship Center requires a member of the production team to be present to operate the soundboard unless prior arrangements are made.
2. A training session is required to use of the presentation and lighting equipment and will be arranged prior to event.
3. A member of the production team will be in contact with the primary contact listed above to discuss requirements to make the event as successful as possible.

Thank You for your co-operation
