John 4:19-24

Introduction

Worship is the submission of all our nature to God. It is —

- the quickening of conscience by His holiness
- the nourishment of mind with His truth
- the purifying of imagination by His beauty
- the opening of the heart to His love
- the surrender of will to His purpose

-- and all of this gathered up in adoration, the most selfless emotion of which our nature is capable & therefore the chief remedy for that self-centeredness which is our original sin & the source of all actual sin. (William Temple, Archbishop of Canterbury)

Six Questions to Consider

1) What does spirit and truth look like?

2) How do we prepare for corporate worship?

3) What if we don't feel like worshipping?

4) What are we hoping to accomplish in corporate worship?

5) What can we expect the result to be from worshipping?

6) What does worship look like throughout the week?
