***Life Group Questions:***

1. How would you define faith? What is the relationship between faith and hope, as described in verse 1?
2. This passage lists a number of men and women who have exhibited great faith. Can you think of anyone in your life that has been a good model of faith in God?
3. What are some examples of things that strengthen your faith?
4. What are some things that make faith difficult? Many of the men and women in this passage faced tests of their faith (v 32-40). What were some of them and how did they overcome them?
5. Why is faith important? Where in your life today do you need to grow in your faith?
6. How can we pray for you?
