BRAZIL

Hello Pastor & Precious Church family,

April 2026

“**First, I thank my God through Jesus Christ for you all...**” We count it all joy to be a part of your mission outreach to the lost souls of **BRAZIL**.

DEPUTATION UPDATE: We are excited to see God working as we seek new additional support. We are so thankful to the churches that have decided to partner with us and that have taken us on for prayer & financial support - it puts us a little closer to heading back to the field. Folks, we still need **\$950** per month. **Please pray** that the **promised support comes in** and that we are able to **schedule churches** and **raise the remaining support we need** so we can return and continue the work God has given us to do in Brazil!

MEDICAL UPDATE: In our January letter I mentioned how that last year, I began experiencing discomfort in the upper right area of my abdomen, began losing weight and how I was diagnosed with a rare liver disease called Primary Sclerosing Cholangitis (PSC). In February, the doctor put me on a strict diet and exercise. In early March while my doctor was reading the results of an abdominal MRI I had done in late February regarding my PSC, he informed me that much of the pain I was experiencing was due to three bad hernias I had. He referred me to a general surgeon who explained that I needed an **urgent hernia repair surgery**. I had to cancel 8 of my scheduled churches out east in March due to this surgery. However, praise the Lord the **surgery was successful!**

We are so grateful to God for the churches that **gave sacrificially** towards this medical need – your sacrifice is recorded in heaven! As it turns out my medical expenses were higher than anticipated. Thus far, my medical expenses have been **\$9,450** and we are short **\$1,450**. **Please continue to pray for God’s provision towards this important need.** We will continue to keep you updated as to the progress.

Please pray with us that we are able to **reschedule these churches again for this fall** when we return out east. Folks, we know that God is in control and on the throne! We are excited to get on the road again to visit our scheduled churches! Our desire is to be a blessing and an encouragement to them. We are thankful to God for the awesome privilege we have to serve Him.

Until next time, **Thank you** for your **prayers** and **sacrificial giving!**

Always for Jesus Christ,

John & Isa Horton
