**First Christian Church of Wayne City
August 2018**

Here we are in August, which of course means the start of a new school year! That means the Church office hours will be changing and for many of us, our schedules start revolving around the school calendar too. Summer has found us staying pretty busy and I'm sure our pace will pick up somewhat with the beginning of school. Remember our kids and all staff in your prayers, as each school year brings many new challenges, good and bad. August also brings with it the last few weeks of summer, so make sure you enjoy while you still can.

School Year Prayer

Heavenly Father,

Bless and protect our school.

Bless and protect our staff.

Bless and protect our students.

Bless and protect our families.

Please help us to be kind to one another.

Please help us to always do our best.

May You always be in our midst, Lord.

~Amen

From the desk of the pastor

What a great month at FCCWC! I have enjoyed bringing the messages about LIFE each Sunday and so thrilled that many of you have joined the Wednesday night Bible Study classes!

If you still have not joined a Wednesday night class please come and get involved in the class for your personal learning and spiritual growth. Thank you Randall and Chris for leading us!

Sunday evenings are going to take on a new look and feel for the fall and winter months! We will use upbeat praise and worship music and have short devotion messages from many church members, and I'll be teaching through a book of the Bible. The current book I am considering is the book of Romans. I'm using Jerry and Patty Caudle as well as the College and Career group to put the Sunday evening format together. We hope this special time will be a great blessing to your entire family!

We had a good response Sunday to my challenge of wanting personal mentoring time and being involved in small group Bible study classes. If you want to get involved please talk to me this Sunday and we can find a spot where you can grow and use your gifts to serve our church!

Finally, let me share how thankful I am to see the dedication and high attendance numbers this summer in worship and ministry events! We are seeing continual growth with salvations, baptisms, new classes forming, and very soon...

3 "LIFE" Bible study groups forming to meet in homes! Thank you for your obedience to Jesus this summer and this wonderful growth year at FCCWC!

Serving with you, *Bro. Steve*
