Will it be worth it at the end of your life if you enjoyed success, money, pleasure, material things, sex, partying, etc., while rejecting salvation in Jesus, then you die in your sins? You will face God for judgment, be condemned as a guilty sinner, and spend all eternity in God's Lake of Fire. We all have sinned against God who is holy and good. Think of the lies you have told, used God's and Jesus' names as cuss words (blasphemy), looked at others with lust (adultery), loved sin and pleasure instead of God, etc. But your greatest sin is that you have not loved God and believed in, received and loved Jesus Christ as your Lord and Savior. Jesus is your only hope to be saved from God's wrath against you. Jesus Christ is God who came into the world, became a man, to die on the cross and suffer the punishment for sins He did not commit so that all who receive Him as their Savior and Lord will have their sins paid for and removed and receive Jesus' perfect record of righteousness. He was buried and rose again three days later. All who repent from their life of sin and put their trust in Jesus for salvation will be forgiven, be made brand new, receive eternal life, live for Jesus now and go to heaven with Jesus when they die. Jesus said "I am the way, the truth and the life, nobody comes to the Father but by Me." Salvation is by grace alone through faith alone in Jesus Christ alone. You cannot earn salvation by good deeds or church attendance or baptism. "For God so loved the world that He gave His only Son that whoever believes in Him will not perish but have eternal life." (John 3:16) Pray and ask God to save you and forgive you because Jesus died for you on the cross to purchase your salvation.
