Live Your Optimum Life®: Fruits & Veggies – More Matters Month

Next month is “Fruits & Veggies – More Matters Month”. We can use this month to raise awareness about the importance of getting enough fruits and vegetables in our daily diet.

Eating fruits and vegetables has many health benefits. People who eat a healthy, balanced diet with plenty of fruits and vegetables can help lower their risk for heart disease, Type 2 Diabetes, and some types of cancer. Eating healthy can also help prevent obesity and high blood pressure.

However, many people don't eat enough fruits and vegetables:

- Fewer than 1 in 4 adults eat the recommended amount of fruits every day.
- Fewer than 1 in 7 adults eat the recommended amount of vegetables every day.

The good news is communities, health professionals, businesses, and families can work together to encourage people to eat more fruits and vegetables. Help spread the word about tips for healthy eating and encourage your family and friends to get involved.

Get Involved

- Post information about a different vegetable or fruit every week and include a quick and easy recipe in your community newsletter or bulletin.

- Help start or support a community garden.
- Conduct a cooking demonstration using recipes full of vegetables and fruits.
- Find a farmers market in your area.

More than 90 percent of both adults and children do not eat the amount of fruits and vegetables recommended by the latest Dietary Guidelines for Americans and the ChooseMyPlate.gov nutrition guide. Try to remember these two helpful tips to add more fruits and veggies into your diet:

1. Fill half your plate with fruits and vegetables at each meal or eating occasion
2. All forms (fresh, frozen, canned, dried and 100% juice) count toward your daily intake

Wellness Challenge

Eating more fruits and veggies can be fun – and it's worth it!

Here are some ideas to help you fit more fruits and vegetables into your day:

- Keep a bowl of fruit handy.
- When possible, cut up fruits and veggies ahead of time so they're ready for quick, healthy snacks.
- Challenge yourself to try a new fruit or vegetable each week.
- Buy vegetables and fruits in a variety of colors.

Be Well on Purpose!

Wishes of a Lifetime

Brookdale is proud to honor our residents' wishes and dreams through our partnership with Wish of a Lifetime®

**Helen Takes a Thrilling Ride**

Florida resident Helen Takagi has not tamed her wild streak. The 95-year-old may seem reserved, but this petite thrill seeker has always wanted to ride a Harley-Davidson motorcycle.

Helen spent most of her life raising four children and volunteering in their schools. Later, she spent her life travelling wherever the wind took her. Now she teaches exercise classes at her assisted living community within Lake Port

Square and plays pool on her off time.

Wish of a Lifetime and Brookdale were thrilled to grant Helen's unique and daring wish. She finally got a true Harley experience December 21. Leesburg's Gator Harley Davidson made sure that Helen was riding in style, supplying her with a black and white riding vest, sunglasses and riding gloves so that she looked “like a true biker babe,” Helen said.

Helen hit the road on a brand new 2018 Harley Davidson Ultra Limited driven by one of the company's employees, Johnny Malik. They took a scenic ride around Lake Harris and even swung by Lake Port Square to greet her friends.
