WARNING
To guard against injury, basic safety precautions should be observed including the following:

READ ALL SAFETY INSTRUCTIONS BEFORE USE.

WARNING
To avoid electric shock, special care should be taken since water is employed in the use of aquarium equipment. For each of the following situations, do not attempt to repair yourself. Return the appliance to an authorized service facility for service or discard the appliance.

- If the appliance falls into water, DO NOT reach for it! First unplug it and then retrieve it. If the electrical components of the appliance gets wet, unplug the appliance immediately.
- Carefully examine the appliance after installation. It should not be plugged in if there is water on parts not intended to be wet.
- Do not operate any appliance if it has a damaged cord or plug, or if it is malfunctioning or if it is dropped or damaged in any manner.
- To avoid the possibility of the appliance plug or receptacle getting wet, position aquarium to one side of a wall mounted receptacle to prevent water from dripping onto the receptacle plug. A “Drip Loop” should be arranged by the user for EACH cord connecting an aquarium appliance to a receptacle. The “Drip Loop” is that part of the cord below the level of the receptacle or the connector if an extension cord is used. This “Drip Loop” prevents water travelling along the cord and coming in contact with the receptacle. If the plug or the receptacle do get wet DO NOT unplug the cord. Disconnect the fuse to the circuit breaker that supplies power to the appliance. Then unplug and examine for the presence of water in the receptacle.
- Close supervision is necessary when any appliance is used by or near children.
- To avoid injury, do not contact moving parts or hot parts such as heaters, reflectors, lamps bulbs and etc.
- Always unplug an appliance from the outlet when not in use, before putting on or taking off parts, and before cleaning. Never yank the cord to pull plug from outlet. Grasp the plug and pull to disconnect.
• Do not use an appliance for other than intended use. The use of attachments not recommended or sold by the appliance manufacturer may case an unsafe condition.
• Do not install or store the appliance where it will be exposed to the weather or to temperatures below freezing.
• Make sure an appliance mounted on a tank is securely installed before operating it.
• Read and observe all the important notices on the appliance.
• This appliance has a polarized plug (one blade is wider than the other). As a safety feature, this plug will fit in a polarized outlet only one way. If the plug does not fit fully in the outlet, reverse the plug. If it still does not fit, contact a qualified electrician. Never use with an extension cord unless plug can be fully inserted. Do not attempt to defeat this safety feature.
• This appliance is intended FOR HOUSEHOLD USE ONLY.
• If an extension cord is necessary, a cord with a proper rating should be used.

**WARRANTY INFORMATION**

**LIMITED 1 YEAR WARRANTY**

ChaetoMax™ Refugium LED Light

The ChaetoMax™ Refugium LED Light has a 1 YEAR limited warranty.

The ChaetoMax™ Refugium LED Light is warranted to the original purchaser against defective material and workmanship for 1 YEAR from the date of original purchase.

This warranty is valid only under the following conditions:

- Additions, modifications, or changes made to the product by the purchaser and not by the manufacturer shall void this warranty.
- Damages brought on by abuse, misapplication, or mishandling also voids this warranty.

This warranty is limited to the repair or replacement of the product at the discretion of the manufacturer. This warranty does not cover personal injury, property loss, including livestock or damage (direct, incidental, or consequential) arising out of use of this product. This warranty gives you specific rights and you may also have other rights, which may vary from state to state.

The Product Registration Card must be filled out completely and returned within (14) days from the date of purchase. Failure to do so will void this warranty.

**A proof of purchase from an authorized dealer must be provided when making a warranty claim.**

For Warranty Claim please contact our Customer Care Department.

866-368-7941 or email: warranty@innovative-marine.com

A RMA # must be issued before sending any product back to Innovative Marine. Products sent back to Innovative Marine without a RMA# will be not be accepted. Service on products will not extend the original warranty period.
