

New Hampshire Would be Harmed by Withdrawing from NAFTA

By raising the costs of New Hampshire exports and imports, a U.S. withdrawal from NAFTA would make New Hampshire businesses and farmers less competitive, resulting in losses of jobs and production in the state and exports from the state to Canada and Mexico.

Jobs Are Lost

-8,290

Estimated number of New Hampshire jobs lost if NAFTA is terminated

Exports Drop

-14%

Estimated decline in New Hampshire exports to Canada and Mexico if NAFTA is terminated
