South Dakota Would be Harmed by Withdrawing from NAFTA

By raising the costs of South Dakota exports and imports, a U.S. withdrawal from NAFTA would make South Dakota businesses and farmers less competitive, resulting in losses of jobs and production in the state and exports from the state to Canada and Mexico.

Jobs Are Lost

-5,590

Estimated number of South Dakota jobs lost if NAFTA is terminated

Exports Drop

-36%

Estimated decline in South Dakota exports to Canada and Mexico if NAFTA is terminated

Output Declines

-$311 million

Estimated decline in South Dakota production if NAFTA is terminated

Vulnerable South Dakota Export Sectors

Estimated declines in select exports to Canada and Mexico if NAFTA is terminated ($ Millions)
