America’s CEOs to Washington:

IT’S TIME TO ACT

• 42 months in a row with unemployment above 8 percent
• Youth unemployment rate at record highs
• Fewest people in the workforce since early ’80s - just 68 percent
• Record number of Americans on food stamps – 45.8 million people
• Weakest economic recovery since WWII

America’s CEOs have a plan for jobs and economic growth. It’s a plan that believes people and our free enterprise system can win in the 21st Century economy. See our plan at www.BRT.org/TakingAction

Business Roundtable (BRT) is an association of chief executive officers of leading U.S. companies with over $6 trillion in annual revenues and more than 14 million employees. BRT member companies comprise nearly a third of the total value of the U.S. stock market and invest more than $150 billion annually in research and development – nearly half of all private U.S. R&D spending. Our companies pay $163 billion in dividends to shareholders and generate an estimated $420 billion in sales for small and medium-sized businesses annually. BRT companies give nearly $9 billion a year in combined charitable contributions. Learn more at brt.org.
