About the Banff World Media Festival

The Banff World Media Festival is one of the world's most important conferences serving the entertainment industry, dedicated to global content development, production, broadcast and distribution. BANFF provides a platform for the evolving media industry to develop its creative and business objectives. BANFF serves as the leading annual destination for co-production and co-venture partners and is an unparalleled marketplace for over 1,500 international decision-makers to connect and forge new business deals. BANFF's Rockie Awards International Program Competition is one of the largest awards programs of its kind with participation from more than 40 countries and 150 senior industry jurors from around the world. The festival's renowned Rockies Gala Awards honour some of the most influential creators and executives in the industry in a star-studded evening of entertainment and celebration.
