**Arabic Ministry – Egypt:** In October, we asked you to pray for the ongoing search for an Arabic ministry leader. Since then, BTGMI's ministry partners in Egypt have selected Ramy Gamal to serve in this position. Praise God! Pray that Ramy will be able to use his passion for serving the church to bring others to Christ.

**French Ministry – Haiti:** Pastor Pierre Adelus Dossus attended a conference in Haiti to help him and his congregation engage his community. "Now I can even help other leaders at my church prepare a good worship service," he said. Pray that Dossus will continue to shine Christ's light by serving his church and community.

**Portuguese Ministry – Brazil:** Moussa, a former Muslim from West Africa, is now a church planter in Brazil. He recently partnered with BTGMI's Portuguese ministry team to translate an Arabic devotional for the large Arabic-speaking refugee population in his community. Pray that these devotional messages will spark conversations and invitations to learn more about the Christian faith.

**Japanese Ministry – Japan:** The holiday season often comes with feelings of warmth and comfort from being with family and loved ones. But Christmas can also be an isolating and lonely time if you are the only one who celebrates the birth of Christ—like many believers in Japan. Pray that God will comfort Japanese Christians in times of isolation and give them the courage to share their joy with others.

**Chinese Ministry – China:** Pray for healing in the life of a reader of the *Chinese Today* devotional. The reader shared, "Lord, please heal the rift between me and my son. Restore our broken hearts, and grant peace and strength in our relationship. Thank you, Lord."

**Russian Ministry – Russia and Ukraine:** The Russian Ministry team hosts several in-person events in order to follow up and connect with program listeners. Most of these events take place in partnership with local churches, but the team has recently been invited by several non-church organizers. Pray that God will use these opportunities to share the Gospel with an audience that may not have a clear understanding of the Bible.
