

Pray with us

Then you will call on me and come and pray to me, and I will listen to you.

Jeremiah 29:12

February 2019 | Join us in praying for our media ministry throughout the world.

Russian Ministry – Russia: “In response to one of our radio messages, Dmitry wrote to thank the program producers in Russia, prompting additional follow-up. In another note he said, “I mostly wanted to share the burden in my soul. So you can imagine my surprise when you sent a reply.” Please pray for Dmitry and others like him who are looking to have faith-based conversations in a post-Christian society.

Indonesian Ministry – Indonesia: In Maluku province Glann Siahaya has been discipling prisoners—a group of people who often feel as if their lives are at a standstill. He supplies the group with our Indonesian devotions and has organized a new discipleship group. Praise God for Siahaya and other leaders in Indonesia who have a heart to disciple fellow believers and share God’s Word.

English Ministry/ReFrame Media: Nine-year-old Micah Benjamin and his family discovered *Kids Corner* and its characters about two years ago. Pray, along with Micah’s parents, that their children will grow more and more involved in serving others and in fellowship with Jesus. “It’s challenging in today’s fast-paced life,” says Micah’s father, “but we try to slow things down and make time to talk about God’s Word.”

Chinese Ministry – China: In China, most people who are blind experience very little interaction with others. A blind woman named Huan, however, has a special app on her phone that allows her to chat, listen to sermons, ask questions, and share what she’s learning about God with others through our Chinese ministry programs. Please ask that pastors in China will be moved more and more to reach out to people with disabilities.

Japanese Ministry: Thank God for Mrs. Namiko, who, though having retired this past year, continues to record the long-standing Japanese ministry program *Namiko’s Smiling Talk*. The program is aired four times each month, and it is shared through podcasts and posted on Facebook. Ask God to continue to use Namiko’s Christian joy to bless believers and their families.
