

Pray with us

Then you will call on me and come and pray to me, and I will listen to you.

English Ministry/ReFrame Media: Carletta and Lyndon started using *Family Fire* resources a few years ago when their marriage was near collapse. Now they are using their experience to help other couples develop a biblical foundation for marriage. Praise God for their leadership, asking that they may encourage and strengthen others.

Hindi Ministry: Praise God for working in the lives of Jai and Parwati, a couple in northern India. They were baptized three years ago and began to attend church after hearing our radio programs. "Slowly my heart transformed to follow Jesus," Jai testifies.

French Ministry: A woman living in Burkina Faso didn't have many options for addressing abuse from her husband. Pray for our ministry team there as they face this reality. Ask for God's protection over women like her who find themselves in vulnerable situations. Praise God that, in this case, the woman's husband repented and asked for forgiveness.

Spanish Ministry: Pray for healing for Silvia, who reads our Spanish ministry materials. "I am grateful for these because I am having a difficult time after my mother died this past February," Silvia wrote. "Please carry me in your prayers." Pray that Silvia will find continual encouragement in God's Word.

Chinese Ministry: Our Chinese ministry team recently organized an essay competition, challenging readers to ask their Christian parents or grandparents about their faith. Praise God that more than 100 people submitted essays in response! May the faith of all generations be strengthened through the publishing process of these stories of faith.
