### Understanding In-Person & Remote Live Options:

ALL THE CLASSES ARE BEING TAUGHT IN-PERSON. All of them have a remote live option.

Remote live is ideal for students who live too far away but want to participate.

If an in-person student misses class, they can join remote live.

In-person or remote live students can use any of the remote live options available. They are not "restricted" to a certain day or time.

"I think in-person is the ideal environment for most students; however, during the COVID lockdown, I had some students use my remote live options and their scores increased. The key is, and has always been, the student being disciplined and taking advantage of the information shared." - Jason Franklin, College Prep Specialist

**REGISTRATION DEADLINE: THE FRIDAY BEFORE THE CLASS STARTS ASSUMING SEATS ARE STILL AVAILABLE.**

\$160 - Five Math Classes

\$160 - Five Reading Classes

\$140 - Four Science Classes

\$140 - Four English Classes

**\$575 - ALL FOUR SUBJECTS (that's a \$25 savings off the \$600 total)**

**WHAT TO TAKE?** Most students take all four subjects, but students can choose which subjects they want to take.

**BREAK:** There is a 10 minute break between subjects. Students are encouraged to bring drinks and snacks.

**NO HOMEWORK:** Everything is done in class. Students are trained on how to prepare outside of class and how to be better test performers.

**MAKE-UP CLASSES:** Students are welcome to attend another class listed above to make up a missed class. Students can also join a remote live class option. Make-up videos are also available for those that miss an in-person class and cannot participate in the remote live offering.

**INSTRUCTOR:** Jason Franklin has trained over 20,000 students for the ACT, no instructor in the country has worked personally with more students.

**PAYMENT NOT DUE UNTIL THE FIRST DAY OF CLASS. REGISTER AT [BetterPrepSuccess.com](http://BetterPrepSuccess.com) TO RESERVE YOUR SEAT TODAY.**
