**NEW ENHANCED ACT:** The ACT debuted the paper version of the new ACT format this past September. Learn how to properly train to take advantage of the new layout.

**WORK AROUND YOUR SCHEDULE:** The school year can be busy. In-person students are welcome to mix-n-match classes whether in-person or remote live. Remote live students can attend any of the above sessions remote live.

**BONUS SESSIONS:** Because the school year is busy and there are only so many weeks available for scheduled sessions, Jason has created ten additional online video sessions to compliment what students do in-person or remote live.

**BPS ADVANTAGE:** Every in-person and remote live student gets access to the BPS student portal. There, students will have an online video class version of the course, additional sessions, extra practice materials, and other resources related to the college application process. Students will have access to the portal until they graduate from high school. This allows students to continue to practice during the school year.

**TOO BUSY BUT NEED HELP?** If the above schedules do not work, Jason has an online video class that allows students to work around their busy schedule. Go as fast or slow as desired. Review as often as desired. Three online options available.
