

## CUISINE

Don & Charlie's offers a menu of crave-worthy American comfort food including meaty baby back ribs, prime steaks, thick pork chops, chicken and fresh seafood. Our award winning burgers can be paired with Don & Charlie's signature French fries or hand dipped onion strings.

## BEVERAGE

The restaurant offers freshly made signature cocktails, margaritas, a diverse wine list, and rotating regional craft beers on draft.

## EXPERIENCE

Located in the heart of Old Town Scottsdale, Don & Charlie's offers an environment where guests can enjoy championship dining and seamless service in both the dining room and bar. In addition to great American comfort food, Don & Charlie's is a sports-lover's mecca, named one of the "Ten Best Sports Bars in the USA," in 2014 by USA Today. The restaurant's décor is a shrine to some of the most sought after sports memorabilia, from signed magazine covers, more than 750 autographed baseballs, to 100 signed jerseys and more gracing the walls.
