

# community canteen™

## CUISINE

Community Canteen is a modern American café, serving an abundance of homemade, market-inspired culinary creations. Breakfast includes morning staples with a twist, such as a custom fruit and yogurt bar, egg dishes like build-your-own-omelets and breakfast sandwiches, oatmeal and waffles. The lunch menu offers a variety of subs and hot sandwiches as well as an extensive salad bar with over 25 toppings. Canteen boasts an exquisite array of pastries and other sweet treats, all of which are made from scratch. Rotating specialty soups, sandwiches, hot plate specials and pastries are announced in-store and online daily.

## BEVERAGE

Community Canteen serves small-batch, artisan-roasted coffee from Metropolis Coffee Company in Chicago, along with a selection of organic, fair-trade teas by Rishi. Canteen offers an assortment of juices, iced tea, house-made lemonade, waters and sodas.

## EXPERIENCE

Community Canteen is a brightly lit space with colorful displays. Guests can relax with breakfast and lunch inside, outdoors on the patio or take their selections to go. Free Wi-Fi is available in the café making it a perfect spot to do some work with coffee and a pastry by your side. Community Canteen is available to host private parties and meetings with a customizable floor plan that can accommodate between 10 and 50 guests, and also provides off-premise catering for groups of all sizes.
