

*“Learning Spanish will allow you to make more money, have more influence, increase your number of friends and, yes, even sharpen your brain. It’s a life and business changing opportunity.”*

---

“Your SpanishPower™ program, along with the one-on-one tutoring, allowed me to significantly improve my Spanish to the point where I am comfortable conversing in formal settings in Latin America.

I very much appreciated the level of professionalism of your program, my tutor, and also your support staff.”

## Notes on Tutoring Process:

The ideal ratio of tutoring to course materials is \_\_\_\_\_ hour of one-on-one tutoring for each lesson in the course.

The one hour of tutoring is broken into two \_\_\_\_\_ minute sessions for more consistency.

Tutoring is voice only by phone. The result is, on average, \_\_\_\_\_ percent better.

Tutoring is on a \_\_\_\_\_ schedule. Hours are from 8:00 a.m. to 10:00 p.m. EDT.

# All learning plans include...

- Access to SpanishPower™ course materials
- Consistent tutoring with a professional instructor
- Bi-weekly group classes with Program Directors
