

Kent Homes Building Process

Kent Homes Building Process

A Smarter Way To A Luxury Home

More Personalized Attention

At Kent Homes, we're big enough to serve you well, but small enough to give you the personalized attention and choices you deserve in your home. We're a small company, BIG on personalized service so you get more YOU in your home with one of our homes.

Homes That Feel Better

Step inside a Kent Home and you'll discover it just feels better because the design, finishing touches, and craftsmanship come together more elegantly.

Homes Done Right The First Time

At Kent Homes, you get your home done right the first time: No frustrations, no surprises. Our people, processes and practices are better because we've been doing this since 1989.

Most Satisfying Homebuilding Experience

With Kent Homes, you'll have the most enjoyable, most satisfying homebuilding experience in the industry. The proof is in the independent third party surveys of our customers - they have given us one of the highest recommended rates in the local area, in the state, and in the country.
