7.5.3. Manner of Notice. Any notice required under this Section 7.5 to be served:

7.5.3.1. Upon the Owner shall be delivered personally to the Owner and Occupants at the Lot or Dwelling Unit, or mailed (by certified mail, return receipt requested) to the Owner at the address of the Lot, provided that if the Owner has provided the Association with an alternative address, all such notices shall be mailed (by certified mail, return receipt requested) to the Owner at such alternative address.

7.5.3.2. Upon the Association shall be delivered personally to any officer of the Association or to any on-site representative of any professional management company hired by the Association; or mailed (by certified mail, return receipt requested) to any officer of the Association or to the management company hired by the Association.

7.6. Working Capital Fund; Initial Assessment. At the time of closing of a Lot from the Declarant or a Builder to the first new Owner, such new Owner of such Lot may be assessed an initial capital contribution to the working capital fund of the Association. These Assessments shall be used by the Association for its operating expenses. Such Assessment is not an advance payment of the Annual General Assessment, and it will not be held in any sort of trust or reserve account. Neither the Declarant nor any Builder shall be required to pay such capital contribution.

7.7. Special Assessment. There may be established a special assessment for the purpose of repairing or restoring damage or destruction to the Common Areas or other capital improvements as further set forth in Article X or for any other lawful purpose as determined by the Association.

7.8. Computation and Payment of Annual General Assessment. The Annual General Assessment shall be computed and levied in accordance with the budget adopted by the Board pursuant to the Bylaws. Except as provided below, this General Assessment shall be effective as to each Lot on the first day of the Association's fiscal year. Notwithstanding anything to the contrary contained herein, the Annual General Assessment as to each Lot shall commence on the first day of the month following the earlier of the following to occur: (i) 12 months after the date of such Lot being conveyed to an Owner other than a Builder or Declarant; or (ii) upon the initial certificate of occupancy being issued for a Dwelling Unit on such Lot. The initial Annual General Assessment shall be prorated on a monthly basis to the end of the Association's fiscal year, and shall be collected at closing of the conveyance of the Lot from the Builder. So long as there has been no default in payment of the Assessment, it shall be payable in annual installments due on the first day of each fiscal year. The Board shall have the power from time to time to adopt such billing, collection and payment procedures, charges and other payment time schedules, as it deems appropriate. Notwithstanding anything to the contrary contained herein,

no Builder shall be responsible for any application fees and costs, review fees or any other fees, costs, assessments or capital contributions to the Declarant or the Association.

7.9. Allocation of Assessments. The Common Expense Liability of each Lot shall be its portion of the Common Expense. The Common Expense Liability and the Annual General Assessment shall be allocated equally to each Lot. The other Assessments shall be allocated as applicable to the respective Lots and as determined by the Board.

7.10. Lien for Assessments. The Association shall have a lien for any Assessment levied against a Lot for fines imposed against an Owner or Occupant, and for interest, costs and reasonable attorney fees.

7.10.1. Creation. The lien for Assessments is created by this Declaration and shall be a charge and a continuing lien on each Lot which shall run with the land. All persons or entities acquiring an interest in a Lot after the filing of this Declaration take such interest subject to the lien.

7.10.2. Effective Dates. The lien for the Common Expense Liability for each Lot and Open Space Lot, as applicable, as set forth in the Annual General Assessment shall be effective on the first day of the fiscal year of the Association. The lien for other Assessments shall be effective on the first day of the month following the notice of its levy on the Owners affected.

7.10.3. Perfection. Recording of this Declaration constitutes notice and perfection of the Lien.

7.10.4. Notice of Lien. The Association shall file a notice of lien with the land records of the County and in accordance with the requirement of the Act, if any.

7.10.5. Priority of the Lien. The lien created by this Section shall be prior to all liens and encumbrances recorded subsequent to this Declaration except the lien for real estate taxes and assessments and the lien of any bona fide first mortgage filed of record.

7.10.6. Subordination and Mortgagee Protection. Notwithstanding any of the provisions hereof to the contrary, the lien of any Assessment levied pursuant to this Declaration (and any late charges, interest, costs and attorney fees) shall be subordinate to, and shall in no way affect the rights of the holder of a first mortgage made in good faith for value received; provided, however, that such subordination shall apply only to Assessments, or installments thereof, which have become due and payable prior to the date of sale of such Lot pursuant to a foreclosure or the date of a deed in lieu of foreclosure. Such sale or transfer shall not relieve the mortgagee or the purchaser of a Lot at such sale from liability for any Assessments thereafter

becoming due, nor from the lien of any such subsequent Assessment. Mortgagees are not required to collect Assessments on behalf of the Association. Failure to pay Assessments shall not constitute a default under any mortgage insured by FHA/VA.

7.10.7. Extinguishment of the Lien. A lien for unpaid Assessments is extinguished unless proceedings to enforce it are instituted within five (5) years after the full amount of the Assessment becomes due. If an Owner of a Lot or Open Space Lot, as applicable, subject to a lien files a petition for relief under the United States Bankruptcy Code, then the period of time to enforce the Association's lien shall be tolled until thirty (30) days after the automatic stay under Section 362 of the Bankruptcy Code is lifted.

7.10.8. Estoppel Certificate. Upon request of any mortgagee or Owner and upon payment in full of all Assessments and other charges permitted by this Declaration that are due to the Association, the Association shall execute and deliver to such mortgagee or Owner an Estoppel Certificate. Such certificate shall be in recordable form and shall note the payment of the outstanding Assessments and charges and that the Association is estopped from the enforcement of its lien with respect to Assessment and charges becoming due and payable prior to the date of the Certificate. The Association may charge a reasonable fee for the preparation of such certificate.

7.11. Delinquency and Acceleration. Any installment of an Assessment provided for by this Declaration shall become delinquent if not paid on the due date as established by this Declaration or by the Board. With respect to each installment of an Assessment not paid within five (5) days of its due date, the Board may, at its election, require the Owner to pay a reasonable late charge, costs of collection, reasonable attorney fees and interest as reasonably determined by the Association, but not to exceed that permitted by applicable law. Interest shall be calculated from the date of delinquency to the date full payment is received by the Association. If any installment of an Assessment is not paid within thirty (30) days of its due date, the Board may, at its election, declare all of the unpaid balance of the Assessment immediately due and payable without further notice or demand to the Owner. The Association may enforce the collection of the full Assessment and all charges thereon in any manner authorized by law or this Declaration. The filing of any petition for relief pursuant to the United States Bankruptcy Code by an Owner whose Assessment has been accelerated shall operate as a restoration of the Assessment to its prior status as if it has not been accelerated.

7.12. Remedies Cumulative. A suit to recover money judgment for unpaid Assessments and charges may be maintained without foreclosing or waiving the right to enforce the lien. A foreclosure may be maintained notwithstanding the pendency of any suit to recover a money judgment.

7.13. Personal Obligation. The Assessments, including fines, if any, payable by each Owner, together with any penalty, interest, costs and reasonable attorney fees shall be the personal obligation of the Owner of the Lot at the time incurred. The personal obligation shall not pass to any successors in title unless expressly assumed by them.

7.14. Statement of Unpaid Assessments. The Association shall upon written request of the Owner, contract purchaser, or first mortgagee, furnish a statement setting forth the amount of unpaid Assessments against the Lot. This statement must be furnished within ten (10) business days after receipt of the request and is binding on the Association, the Board and every Owner. The Association may charge a reasonable amount for this statement.

7.15. No Waiver of Liability for Common Expenses. No Owner may exempt himself or herself from liability for payment of the Common Expenses by waiver of the use or enjoyment of the Common Areas or by abandonment of the Lot against which the Assessments are made.

7.16. Declarant Subsidies. It is the intent of the Declarant that the assessments collected pursuant to this Article be sufficient to pay the cost to maintain, repair and replace the Common Areas of the Association. In the event that the capital of the Association is insufficient to cover the cost as set forth in its yearly budget and the Declarant determines in its sole and absolute discretion that it is in the best interests of the Association to subsidize said budget, then any subsidy paid by the Declarant shall be considered a loan to the Association and repaid to the Declarant at such time as the Association has sufficient funds or is turned over to the Owners of the Lots or Open Space Lots, as applicable.

ARTICLE VIII

UPKEEP OF THE PROPERTY

8.1. Lots. Except as specifically provided herein, each and every Lot, its Dwelling Unit and any improvement erected thereon shall be maintained by the Owner in a reasonable manner in accordance with the standard generally prevailing throughout the Property and generally in the County for developments of this nature and, at all times, in accordance with all applicable ordinances, regulations and/or codes of the Local Authority.

8.3. Maintenance of Lots by Association. All Lot maintenance or repair shall be the sole responsibility of, and at the sole expense of, the Owner of such Lot; provided that the structural

Notwithstanding anything contained herein to the contrary, the Association shall have no maintenance and repair obligations with respect to any Lot containing a market or model home of a Builder.

8.4. Association's Easement for Maintenance. The Association is hereby granted an easement over the Lots and the Common Areas for the purpose of providing the maintenance and to perform its duties required by this Declaration.

8.5. Association's Right to Maintain. In the event that an Owner shall fail to provide maintenance as required by this Declaration in a manner satisfactory to the Association, and such Owner has failed to comply for ten (10) days after being so notified of such failure and upon being provided an opportunity to be heard concerning such failure, then the Association shall have the right, but not the obligation, through its agents and employees, to enter upon said Lot and repair, maintain and restore the Lot. In the event that such failure poses a material health, safety or security risk, then no notice or hearing need be given. The cost of such maintenance and repair shall be assessed against the subject Lot in accordance with Section 7.4.

8.6. Access to Lots. For the purpose solely of performing the maintenance required or authorized herein, the Association through its duly authorized agents or employees, or subcontractors, shall have the right, after reasonable notice to the Owner, to enter upon any Lot at reasonable hours on any day.

ARTICLE IX

9.1.4. Signs. No signs or flags of any character shall be erected, posted or displayed upon the Property, except: (i) marketing signs installed by the Declarant or any Builder while actively marketing the Lots or Dwelling Units for sale; (ii) street and identification signs installed by the Association or the Declarant; (iii) one temporary real estate sign not to exceed six square feet in area advertising that such Lot is on the market; and (iv) political or small business advertising signs. 9.1.5. No Trade or Business. No trade or business of any kind may be conducted in or from any Lot or Dwelling Unit except that an Owner or Occupant of a Lot or Dwelling Unit may conduct such business activity within the Lot or Dwelling Unit so long as: (a) the existence or operation of the business activity is not apparent or detectable by sight, sound or smell from the exterior of the Lot or Dwelling Unit; (b) the business activity conforms to all zoning requirements for the Property; (c) the business activity does not involve persons coming on to the Lot who do not reside in the Property; and (d) the business activity is consistent with the residential character of the Property. The term "trade" or "business" for purposes of this restriction shall not: (i) include the construction, operation and maintenance of any model home or homes and sales offices by any Builder during reasonable hours; or (ii) be construed in such a manner as to prohibit an Owner from: (a) maintaining his or her personal professional library in a Dwelling Unit; (b) keeping his or her personal business or professional records or accounts in a Dwelling Unit; (c) handling his or her personal business or professional

Vehicle repairs and storage of vehicles are permitted on the Property only if in garages. Recreational vehicles and boats may be parked in the driveways for a period not to exceed seventy-two (72) hours for the purpose of cleaning, loading or unloading. It is the intent of this restriction to limit parking in the driveways to personal non-commercial vehicles. For purposes of this Section 9.1.7, the word "truck" shall include and mean every type of motor vehicle other than passenger cars, pick-up trucks which do not exceed 3/4 tons and mini-vans which are used as a principal vehicle by an Owner of a Dwelling Unit or his/her family.

Other restrictions may be set forth in any Supplemental Declaration. All architectural rules, regulations, standards and guidelines set forth in the Design Guidelines (as defined below), this Declaration, any amendment or Supplemental Declaration shall be complied with by Owner and any Builder. The thirty (30) day period shall commence upon execution of a written notice by the Declarant acknowledging receipt of plans and specifications and all information required therewith. The Declarant may review the plans as to the quality of workmanship and design and harmony of external structures with existing structures and as to location in relation to surrounding structures, topography and finish grade elevation, provided, however, that the Declarant shall not unreasonably withhold approval of any plans that conform in every way with the Declaration and with the general character of the development on neighboring Lots within the Property. If the Declarant fails to approve, reject, or modify the plans within the thirty (30) day period, the Declarant's approval shall be deemed to have been given, and no further permission shall be needed before the

improvements described in such plans may be constructed or installed. However, in no event shall any improvements be constructed or installed that violate any terms of this Declaration.

9.3.1. Actions. The Board may take any or all of the following actions:

9.3.1.1. levy a fine against the Builder, Owner or Occupant, which shall also be an Individual Assessment under Section 7.4.

9.3.1.2. to enter upon a Lot or portion thereof upon which or, as to which, such violation or breach exists and to summarily abate and remove at the expense of the Owner, any structure, thing or condition that may exist thereon contrary to the intent and meaning of the provisions of this Declaration, and the Board, or its agents shall not be thereby deemed guilty in any manner of trespass or wrongful act.

9.3.1.3. to institute appropriate legal proceedings to enjoin, abate or remedy the continuance of any breach.

9.3.1.4. undertake such dispute resolution methods such as mediation and arbitration, except that this provision shall not be construed as any requirement to do so as a condition precedent to legal proceedings.

9.3.1.5. if any Assessment, or portion or installment thereof, remains unpaid for thirty (30) days after it becomes due and payable, then the Board may suspend the delinquent Owner's voting rights upon Association matters and the Owner's or Occupant's privileges to use one or more of the Common Areas, if any, except for necessary ingress and egress to the Owner's Lot and the same shall be suspended until such Assessment is paid.

9.3.2. Notice and Opportunity to be Heard. Prior to any action, the Board shall give the Builder, Owner and/or Occupant reasonable notice of the violation and an opportunity to be

heard in accordance with the notice provisions set forth in Article VII and the Bylaws. Such notice and opportunity shall not be required in emergency situations or for repeated or continuing violations.

9.3.3. Individual Actions. Each Owner is empowered to enforce the covenants by appropriate legal proceedings or alternative dispute resolution methods.

9.4 Variances. In order to avoid unnecessary hardship and/or to overcome practical difficulties in the application of certain provisions of the Declaration, the Association shall have the authority to grant reasonable variances from the provisions of Sections 9.1 and 9.2. Additionally, so long as Declarant owns one or more Lots on the Property, the Declarant, may grant reasonable variances from the provisions of Sections 9.1 or 9.2. No variance shall materially injure or materially adversely affect any other part of the Property or any other Owner or Occupant. No variance granted pursuant to the authority of this Section 9.4 shall constitute a waiver of any provision of the Declaration as applied to any other part of the Property or other party and no variance may be granted to permit something that is prohibited by applicable law. All provisions of the Declaration not affected by the grant of a variance shall continue to apply with full force and effect to the Lot for which the variance is granted and to the balance of the Property.

9.5 No Liability. Each Owner and Builder are responsible to insure that all construction or any modifications, are in compliance with the restrictions and approved plans. If the Developer or the Association have acted in good faith on the basis of such information possessed by them, neither the Developer, the Association or Board Member shall be liable to the Association or to any Owner for any damage, loss or prejudice suffered or claimed due to: (a) the approval or disapproval of any plans, drawings and specifications, whether or not defective; or (b) the construction performance of any work whether or not pursuant to approved plans, drawings, and specifications.

ARTICLE X

INSURANCE AND CASUALTY LOSSES

10.1. Casualty Insurance. The Association's Board of Directors, or its duly authorized agent shall have the authority to and shall obtain blanket "all-risk" property insurance, if reasonably available, for all insurable improvements on the Common Areas and such other property as the Association is obligated to maintain and insure. If blanket "all-risk" coverage is not reasonably available, then at a minimum an insurance policy providing fire and extended coverage shall be obtained. The face amount of such insurance shall be sufficient to cover the full replacement

cost of any repair or reconstruction in the event of damage or destruction from any insured hazard.

10.2. Liability Insurance. The Board shall also obtain a public liability policy covering the Common Areas, insuring the Association and its Members for all damage or injury caused by the negligence of the Association, any of its Members, employees or agents, or any other person who has a right to occupy a Dwelling Unit. The public liability policy shall have at least a One Million (\$1,000,000.00) Dollar single person limit as respects bodily injury and property damage, a One Million (\$1,000,000.00) Dollar limit per occurrence, if reasonably available, and a Three Hundred Thousand (\$300,000.00) Dollar minimum property damage limit.

10.3. Premiums. Premiums for all insurance on the Common Areas shall be a Common Expense of the Association. The policies may contain a reasonable deductible, and the amount thereof shall not be subtracted from the face amount of the policy in determining whether the insurance at least equals the coverage required hereunder. The deductible shall be paid by the party who would be liable for the loss or repair in the absence of insurance and in the event of multiple parties shall be allocated in relation to the amount each party's loss bears to the total.

10.4. Specifications. All insurance coverage obtained by the Board of Directors shall be written in the name of the Association as trustee for the respective benefited parties, as further identified below. Such insurance shall be governed by the provisions hereinafter set forth:

10.4.1. All policies shall be written with a company authorized to do business in Ohio which holds a Best's rating of A or better and is assigned a financial size category of XI or larger as established by A. M. Best Company, Inc., if reasonably available, or, if not available, the most nearly equivalent rating which is available.

10.4.2. All policies on the Common Areas shall be for the benefit of the Association and its Members, and their Mortgagees, as their interests may appear.

10.4.3. Exclusive authority to adjust losses under policies obtained by the Association on the Property shall be vested in the Association's Board of Directors; provided, however, no Mortgagee having an interest in such losses may be prohibited from participating in the settlement negotiations, if any, related thereto.

10.4.4. In no event shall the insurance coverage obtained and maintained by the Association's Board of Directors hereunder be brought into contribution with insurance purchased by individual Owners, occupants, or their Mortgagees.

10.4.5. All property insurance policies shall have an inflation guard endorsement, if reasonably available, and, if the policy contains a co-insurance clause, it shall also have an

agreed amount endorsement. The Association shall arrange for an annual review of the sufficiency of insurance coverage by one or more qualified persons, at least one of whom must be in the real estate industry and familiar with construction in the Hamilton County, Ohio area.

10.5. Additional Specifications. The Association's Board of Directors shall be required to use reasonable efforts to secure insurance policies that will provide the following:

10.5.1. a waiver of subrogation by the insurer as to any claims against the Association's Board of Directors, officers, employees and manager, the Owners and Occupants of Units, and their respective tenants, servants, agents, and guests;

10.5.2. a waiver by the insurer of its rights to repair and reconstruct, instead of paying cash;

10.5.3. a statement that no policy may be canceled, invalidated, suspended, or subject to nonrenewal on account of any one or more individual Owners;

10.5.4. a statement that no policy may be canceled, invalidated, suspended, or subject to nonrenewal on account of any curable defect or violation without prior demand in writing delivered to the Association to cure the defect or violation and the allowance of a reasonable time thereafter within which the defect may be cured by the Association, its manager, any Owner, or Mortgagee;

10.5.5. a statement that any "other insurance" clause in any policy exclude individual Owners' policies from consideration; and

10.5.6. a statement that the Association will be given at least thirty (30) days' prior written notice of any cancellation, substantial modification, or non-renewal.

10.6. Other Insurance. In addition to the other insurance required by this Section, the Board shall obtain, as a Common Expense, worker's compensation coverage, if and to the extent required by law, Directors' and officers' liability coverage, if reasonably available, fidelity coverage on Directors, officers, employees, and other Persons handling or responsible for the Association's funds, and flood insurance, if reasonably available. The amount of fidelity coverage shall be determined in the Directors' best business judgment but, if reasonably available, may not be less than one-sixth (1/6) of the Annual General Assessments on all Lots plus reserves on hand. Such coverage shall contain a waiver of all defenses based upon the exclusion of persons serving without compensation and shall require at least thirty (30) days' prior written notice to the Association of any cancellation, substantial modification, or non-renewal.

10.7. Individual Insurance. Each Owner covenants and agrees with all other Owners and with the Association that each Owner shall carry blanket all-risk property insurance on the Lot; the Dwelling Unit and structures associated therewith. Each Owner further covenants and agrees that in the event of a partial loss or damage resulting in less than total destruction of structures comprising his or her Unit, the Owner shall proceed promptly to repair or to reconstruct the damaged structure in a manner consistent with the original construction or such other plans and specifications as are approved in accordance with this Declaration. The Owner shall pay any costs of repair or reconstruction which are not covered by insurance proceeds. In the event that the structure is totally destroyed, the Owner may decide not to rebuild or to reconstruct, in which case the Owner shall clear the Lot of all debris and ruins and thereafter the Owner shall maintain the Lot in a neat and attractive, landscaped condition consistent with the standard prevailing in the neighborhood. Each Owner shall be required to provide evidence of such insurance upon request of the Association. This individual insurance requirement may be supplemented or modified in a Supplemental Declaration.

10.8. Damage and Destruction.

10.8.1. Immediately after damage or destruction by fire or other casualty to all or any part of the Property covered by insurance written in the name of the Association, the Board of Directors or its duly authorized agent shall proceed with the filing and adjustment of all claims arising under such insurance and obtain reliable and detailed estimates of the cost of repair or reconstruction of the damaged or destroyed Property. Repair or reconstruction, as used in this paragraph, means repairing or restoring the Property to substantially the same condition in which they existed prior to the fire or other casualty, allowing for any changes or improvements necessitated by changes in applicable building codes.

10.8.2. Any damage or destruction to the Common Areas shall be repaired or reconstructed unless the Owners representing at least seventy-five (75%) percent of the total votes of the Association, shall decide within sixty (60) days after the casualty not to repair or reconstruct. If, for any reason, either the amount of the insurance proceeds to be paid as a result of such damage or destruction or reliable and detailed estimates of the cost of repair or reconstruction, or both, are not made available to the Association within said period, then the period shall be extended until such funds or information shall be made available; provided, however, such extension shall not exceed sixty (60) additional days. No Mortgagee shall have the right to participate in the determination of whether the damage or destruction to Common Areas shall be repaired or reconstructed.

10.8.3. In the event that it should be determined in the manner described above that the damage or destruction to the Common Areas shall not be repaired or reconstructed and no alternative improvements are authorized, then and in that event the affected portion of the Property shall be cleared of all debris and ruins and maintained by the Association, or the

Owners, as applicable, in a neat and attractive, landscaped condition consistent with the standards prevailing in the neighborhood.

10.9. Disbursement of Proceeds. If the damage or destruction for which the proceeds of insurance policies held by the Association are paid is to be repaired or reconstructed, the proceeds, or such portion thereof as may be required for such purpose, shall be disbursed in payment of such repairs or reconstruction as hereinafter provided. Any proceeds remaining after defraying such costs of repair or reconstruction shall be retained by and for the benefit of the Association and placed in a capital improvements account. In the event no repair or reconstruction is made, any proceeds remaining after making such settlement as is necessary and appropriate with the affected Owner or Owners and their Mortgagee(s), as their interests may appear, shall be retained by and for the benefit of the Association and placed in a capital improvements account. This is a covenant for the benefit of any Mortgagee of a Unit and may be enforced by such Mortgagee.

10.10. Repair and Reconstruction. If the damage or destruction to the Common Areas for which insurance proceeds are paid is to be repaired or reconstructed, and such proceeds are not sufficient to defray the cost thereof, the Board shall, without the necessity of a vote of the Owners, levy a special assessment against the Owners. Additional assessments may be made in like manner at any time during or following the completion of any repair or reconstruction.

10.11. Additional Insurance Provisions. The Declarant or Board, without a vote of the Owners, may amend the provisions of this Article or any supplemental provisions set forth in a Supplemental Declaration, if such amendment is necessary to comply with secondary mortgage market guidelines or is necessary or desirable to meet the requirements of any institutional lender, the Veteran's Administration, the Federal Housing Administration, the Federal National Mortgage Association, the Federal Home Loan Mortgage Corporation, or any other agency which may insure or purchase loans on a Unit.

ARTICLE XI

CONDEMNATION

11.1. Whenever all or any part of the Common Areas shall be taken (or conveyed in lieu of and under threat of condemnation by the Board) by any authority having the power of condemnation or eminent domain, each Owner shall be entitled to notice thereof. No Owner, however, shall have the right to participate in the proceedings incident thereto, unless otherwise required by law. The award made for such taking shall be payable to the Association, as trustee for all Owners, to be disbursed as follows:

11.1.1. If the taking involves a portion of the Common Areas on which improvements have been constructed, then, unless within sixty (60) days after such taking the Declarant and at least seventy-five percent (75%) of the Owners shall otherwise agree, the Association shall restore or replace such improvements so taken on the remaining land included in the Common Areas, to be extent lands are available therefore, in accordance with plans approved by the Board. If such improvements are to be repaired or restored, the above provisions in Article X hereof regarding the disbursement of funds in respect to casualty damage or destruction, which is to be repaired, shall apply.

11.1.2. If the taking does not involve any improvements on the Common Areas, or if there is a decision made not to repair or restore, or if there are net funds remaining after any such restoration or replacement is completed, then such award or net funds shall be disbursed to the Association and used for such purposes as the Board shall determine.

ARTICLE XII

DEVELOPMENT RIGHTS

12.1. Completion of Development. The Declarant reserves the rights, and assumes the obligation, to take any action reasonably necessary to complete the development without consent of the Owners at any time during the Development Period; provided at all times that such development is in accordance with the PUD.

12.2. Annexation of Additional Property. Declarant reserves the right, without the consent of the Association or the Owners, to annex all or any portion of any Additional Property to the terms of this Declaration at any time during the Development Period. The Annexation shall be accomplished by the filing of a Supplemental Declaration identifying the Additional Property, the Lot(s) or Open Space Lots and the Common Area, in accordance with and subject to the following provisions. Notwithstanding the foregoing, no annexation shall be permitted unless in accordance with the PUD, amendments thereto and any other applicable laws, ordinances and regulations of the Local Authority.

12.2.1. Annexation Without Approval of Owners. Declarant shall have the unilateral right, privilege, and option, from time to time at any time during the Development Period, to subject to the provisions of this Declaration and the jurisdiction of the Association all or any portion of the Additional Property. Such annexation shall be accomplished by filing in the public records of Hamilton County, Ohio, a Supplemental Declaration encumbering such property. Such Supplemental Declaration shall not require the consent of Owners. Any such annexation shall be effective upon the filing for record of such Supplemental Declaration unless otherwise provided therein. Declarant shall have the unilateral right to transfer to any other person the right, privilege, and option to annex Additional Property which is herein reserved to

Declarant, provided that such transferee or assignee shall be the developer of at least a portion of the Additional Property and that such transfer is memorialized in a written, recorded instrument executed by the Declarant.

12.2.2. Annexation with Approval of Owners. Subject to the consent of the owner thereof, the Association may annex real property other than the Additional Property, and, following the expiration of the right in Section 12.2.1, any Additional Property, to the provisions of this Declaration and the jurisdiction of the Association. Such annexation shall require the affirmative vote of Members representing a majority of the votes entitled to be cast by the Owners (other than those held by Declarant) present, in person or by proxy, at a meeting duly called for such purpose and of the Declarant, so long as Declarant owns property subject to this Declaration or which may become subject hereto in accordance with Section 12.2.1 of this Article.

12.2.3. Procedure for Annexation. Annexation with approval of the Owners shall be accomplished by filing of record in the public records of Hamilton County, Ohio, a Supplemental Declaration describing the property being annexed. Any such Supplemental Declaration shall be signed by the President and the Secretary of the Association, and by the owner of the property being annexed, and any such annexation shall be effective upon filing unless otherwise provided therein. The relevant provisions of the Bylaws dealing with regular or special meetings, as the case may be, shall apply to determine the time required for and the proper form of notice of any meeting called for the purpose of considering annexation of property pursuant to this Section and to ascertain the presence of a quorum at such meeting.

12.2.4. Acquisition of Additional Common Area. Declarant may convey to the Association additional real estate (or rights in real estate), improved or unimproved, located within the Property or Additional Property which upon conveyance or dedication to the Association shall be accepted by the Association and thereafter shall be maintained by the Association at its expense for the benefit of all its Members.

12.3. Additional Covenants and Easements. In order to accomplish the intent of the provisions of this Article XII, the Declarant may subject any portion of the property submitted to this Declaration initially or by Supplemental Declaration to additional covenants and easements, including covenants obligating the Association to maintain and insure such property on behalf of the Owners thereof. Such additional covenants and easements shall be set forth in a Supplemental Declaration filed either concurrent with or after the annexation of the subject property.

12.4. Notice to the Board. The Declarant shall notify the Board of the filing of any Supplemental Declaration.

12.5. Easements Reserved. The Declarant reserves for itself, its successors and assigns and any Builder, the following easements:

12.5.1. Easements for drainage and all utilities as shown on the Record Plat.

12.5.2. Easements for ingress, egress, drainage and all utilities over the Common Areas provided that such easements do not unreasonably interfere with any Owner's rights of enjoyment.

12.5.3. An easement over the Common Areas as may be reasonably necessary for the purpose of discharging its obligations or exercising any rights under the Declaration.

12.5.4. An easement for ingress, egress, drainage and all utilities over the Common Areas and the right to convey those easements to others.

12.6. Assignment of Development Rights. The Declarant reserves the right to assign any or all of its Development Rights to any person or entity for the purpose of further development and improvement of the Property; provided that such Development Rights will, at all times, remain subject to the PUD. Any changes to the PUD must be approved by the Local Authority.

12.7. Transfer of Development Rights by Foreclosure. Unless otherwise provided in any mortgage securing the Property held by Declarant, in the case of foreclosure of such mortgage, deed in lieu of foreclosure, judicial sale, tax sale, sale under the U.S. Bankruptcy Code or receivership proceedings, of any portion of the Property held by the Declarant subject to the Development Rights herein reserved (including the Special Declarant Rights), a person acquiring title to such property, but only upon his request, succeeds to all such Development Rights. The judgment or instrument conveying title must provide for the transfer and acceptance of such rights. Upon foreclosure sale, deed in lieu of foreclosure, judicial sale, tax sale, sale under the U.S. Bankruptcy Code or receivership proceedings, the Declarant ceases to have any of the rights herein reserved. A successor to the Development Rights held by a transferee that acquired such rights pursuant to this Section, may declare by a recorded instrument the intention to hold such rights solely for transfer to another person. Thereafter, until transferring such Development Rights to any person acquiring title to the Property subject to the Development Rights, or until recording an instrument permitting exercise of such rights, that successor may not exercise any of those rights, and any attempted exercise is void. So long as a successor declarant may not exercise any Development Rights under this section, such declarant is not subject to any liability as a declarant.

ARTICLE XIII

SPECIAL DECLARANT RIGHTS

13.1. Use for Sale Purposes. Declarant reserves for itself, its successors and assigns, and any Builder the right to maintain sales offices and models on the Lots.

13.2. Signs and Marketing. The Declarant reserves the right for itself and any Builder to post signs and displays in the Property to promote sales of Lots, and to conduct general sales activities, in a manner as will not unreasonably disturb the rights of Owners; provided, however, that Declarant and any Builder shall have the absolute right to place and maintain signage for the purposes of identifying and marketing their Lots or Dwelling Units. Said signs shall include but not be limited to: one (1) six foot by nine foot (6' x 9') entrance sign, two (2) four foot by eight foot (4' x 8') signs on the main road frontage, several two foot by three foot (2' x 3') directional signs through the neighborhood, and one (1) two foot by three foot (2' x 3') for sale signs in front of any Dwelling Unit or Lot owned or marketed by the Declarant or Builder, up to four (4) six foot (6') vertical single pole banner flags through the neighborhood, several two foot by four foot (2' x 4') open house signs through the neighborhood. All such signs under this Section 13.2 shall only be permitted on the Property in compliance with the PUD and any other applicable laws, ordinances and regulations of the Local Authority.

13.3. Control of the Association.

13.3.1. Appointment of Directors and Officers. The Declarant reserves the right to appoint and remove the members of the Board and the Officers of the Association during the Declarant Control Period which period will commence upon the recording of this Declaration and shall terminate no later than the earlier of:

13.3.1.1. The time at which one hundred percent (100%) of the Lots have been conveyed to Owners other than Declarant or any Builder; or

13.3.1.2. such other date as Declarant, in its sole and absolute discretion, determines.

13.3.2. Early Termination of Control. The Declarant may voluntarily surrender the right to appoint and remove Directors and officers before the termination of the period set forth above. In that event, the Declarant may require, for the duration of that period that specified actions of the Association or the Board, be approved by Declarant before they become effective. Such voluntary termination shall be evidenced by a recorded instrument executed by the Declarant setting forth the termination of right to appoint and the actions which require Declarant's approval.

13.4. Declarant's Personal Property. The Declarant and any Builder reserve the right to retain all personal property and equipment used in sales, management, construction and maintenance of the premises that has not been represented as property of the Association. The Declarant and Builder reserve the right to remove, within one (1) year after the sale of the last Lot, from the Property any and all goods and improvements used in development, marketing and construction, whether or not they have become fixtures.

13.5. Right to Amend Documents. Notwithstanding anything to the contrary herein, and prior to the end of the Declarant Control Period, this Declaration may be amended at any time without the vote or approval of the Owners, the Association, the Board, or the Design Review Committee, if any, by a written instrument executed by the Declarant for the purpose of eliminating or correcting any typographical or other inadvertent error herein; eliminating or resolving any ambiguity herein; making nominal changes; clarifying Declarant's original intent; making other changes in Declarant's reasonable discretion; and making any change necessary or desirable to meet the requirements of any institutional lender, the Veteran's Administration, the Federal Housing Administration, the Federal National Mortgage Association, the Federal Home Loan Mortgage Corporation, title insurer, or any other agency which may insure or purchase loans on a Lot or to the extent reasonably necessary to enable Declarant to meet any other reasonable need or requirement in order to complete the development of the Property and to facilitate the making and marketing of first mortgages upon any of the Lots. No such amendment, however, shall materially and adversely affect any Owner's use of their Lot nor their interest in the Association or the Common Areas. Each Owner and his mortgagees, by acceptance of a deed to a Lot or a mortgage encumbering such Lot, shall be deemed to have consented to and approved of the provisions of this paragraph and the amendment of this Declaration by Declarant as provided in the immediately preceding sentence. All such Owners and their mortgagees, upon request of Declarant, shall execute and deliver from time to time all such instruments and perform all such acts as may be deemed by a Declarant to be necessary or proper to effectuate the provisions of this paragraph.

13.6. Temporary Construction Easement. The Declarant reserves for itself and any Builder a temporary construction easement of five (5) feet around the boundary of each Lot in order to facilitate grading, drainage, and general construction activity on a neighboring Lot. If the Owner of a Lot places an obstacle such as a fence, shrubbery, or sprinkler system within this temporary construction easement before final grading of the adjoining Lot, then that Owner shall be responsible to remove the obstacle at his or her expense to allow for proper grading and drainage. In general, drainage swales should be set as near to property lines as possible. This easement allows for dirt to be added or removed as needed to allow for proper transition between adjoining Lots and construction of drainage swales as needed.

13.7. Declarant's Rights. Any or all of the special rights and obligations of the Declarant set forth in this Declaration or the Bylaws may be transferred to other persons, provided that the transfer shall not reduce an obligation nor enlarge a right beyond that contained in this Declaration or in the Bylaws, as applicable. Nothing in this Declaration shall be construed to require the Declarant or any transferee to develop any of the property adjacent to or contiguous with the Property. Notwithstanding any provisions contained in this Declaration to the contrary, so long as construction and initial sales of Lots and/or Dwelling Units shall continue, it shall be expressly permissible for the Declarant and Builders to maintain and carry on upon portions of the Common Areas and public or private streets such facilities and activities as, in the sole option of the Declarant, may be reasonably required, convenient, or incidental to the construction or sale of such Lots and/or Dwelling Units, including, but not limited to business offices, signs, model units, sales offices, and rental units. The Declarant and Builders authorized by Declarant shall have easements for access to and use of such facilities as well as vehicular access for construction along public streets. The right to maintain and carry on such facilities and activities shall include specifically, without limitation, the right to Lots and/or Dwelling Units owned by the Declarant and any common area or other facilities which may be owned by the Association, as models, sales offices, or rental units. In addition, notwithstanding any contrary provision of this Declaration, the Bylaws, or any Association rules, the Declarant shall have the right to replat or revise the recorded plats relating to any portion of the Property without the consent of any Owner other than the Owner(s) of the Lots in which the boundaries are altered. So long as Declarant owns any land within the Property, Declarant may, without the express written consent of any Owner, the Board, the Association or any design review committee, include in any contract or deed hereafter executed covering all or any portion of the Property, any additional covenants or restrictions applicable to such lands, so long as they are consistent with and do not lower the standards set forth in this Declaration and do not violate any covenants or restrictions then in effect and recorded against the Property. So long as the Declarant continues to have rights under this Article, no person or entity shall record any declaration of covenants, conditions and restrictions, or similar instrument affecting any portion of the Property without Declarant's review and written consent. Any attempted recordation without compliance herewith shall result in such declaration of covenants, conditions and restrictions, or similar instrument being void and of no force and effect unless subsequently approved by written consent signed by the Declarant and recorded in the public records.

13.8. Easements to Serve Additional Property. The Declarant and its duly authorized agents, representatives, and employees, as well as its successors, assigns, licensees and mortgagees, shall have and there is hereby reserved an easement over the Common Areas for the purposes of enjoyment, use, access and development of the Additional Property, whether or not such Additional Property is made subject to this Declaration, which easement includes, but is not limited to a right of ingress and egress over the Common Areas for construction of roads and for tying in and installation of utilities on the Additional Property. Declarant agrees that it, its successors or assigns, shall be responsible for any damage caused to the Common Areas as a

result of vehicular traffic connected with the development of the Additional Property. Declarant further agrees that if the easement is exercised for permanent access to the Additional Property and such Additional Property or any portion thereof is not made subject to this Declaration, the Declarant, its successors, or assigns shall enter into a reasonable agreement with the Association to share the cost of maintenance of any access roadway, sidewalks, pathways, lighting, and irrigation serving the Additional Property. Such agreement shall provide for sharing of costs based on the ratio which the number of residential dwellings on that portion of the Additional Property which is served by the easement and is not made subject to this Declaration bears to the total number of residential dwellings within the Properties and on such portion of the Additional Property.

ARTICLE XIV

DURATION, AMENDMENT AND TERMINATION

14.1. Duration. This Declaration, and its provisions, shall be covenants running with the land and shall bind the Property and shall (regardless of whether any such beneficiary owns an interest in any Lot) inure to the benefit of and be enforceable by Declarant, the Association, and each Owner, Occupant and their legal representatives, heirs, devisees, successors and assigns and shall continue in full force and effect for twenty (20) years from the date on which this Declaration is recorded. Thereafter this Declaration shall be automatically renewed for successive ten-year periods unless amended or terminated as provided in this Article.

14.2. Amendment. Except as otherwise provided herein, prior to the end of the Declarant Control Period, any provision of this Declaration may be amended in whole or in part by a recorded instrument executed by Declarant (a) without the approval of any other party for any matters consistent with Section 13.5 above or (b) as approved by the Owners of at least seventy-five percent (75%) of all Lots so long as no such amendment shall (i) impair or terminate any of the rights of Declarant hereunder or (ii) materially and adversely affect the Lots owned by Declarant, unless Declarant consents, in writing, to such amendments or termination.

14.2.1. Except as provided in this Section 14.2, after the end of the Declarant Control Period, any provision of this Declaration may be amended in whole or in part by a recorded instrument approved by the Owners of at least seventy-five percent (75%) of all Lots.

14.2.2. Prior to the end of the Declarant Control Period, and subject to Section 13.5 and Section 14.2 above, all amendments shall be executed by the Declarant, and any Builder, if required, and shall be executed by a duly elected officer of the Association. After the end of the Declarant Control Period, all amendments shall be executed by a duly elected officer of the Association. Any such amendment shall certify that the proper notices were sent and that the requisite vote was obtained. amendments need not be signed by the Owners.

14.3. Nonliability of Declarant. Declarant, the Board, the officers, and their successors or assigns shall not be liable for any claim whatsoever arising out of or by reason of the exercise of discretion or authority (or its decision not to exercise such discretion or authority) pursuant to this Declaration, the Bylaws or any additional rules and regulations promulgated or adopted by the Association or the Board, whether or not the claims shall be asserted by any Owner or the Association, or any person or entity claiming through any of them; or shall be on account of injury to person or damage to or loss of property wherever located and however caused.

14.4. Termination. This Declaration and the regime created thereby may be terminated only in accordance with this Section.

14.4.1. Consent Required. This Declaration may be terminated only upon consent of the Owners of one hundred percent (100%) of the Lots, and if during the Declarant Control Period, by consent of the Declarant.

14.4.2. Agreement to Terminate. No termination shall be effective unless an agreement to terminate is filed for record with the land records of the County Recording Office. This agreement shall be executed in the same manner as an amendment. The agreement shall provide for disposition of the Common Areas, disposition of Association funds and other resolutions and provisions necessary to terminate the regime and wind up the affairs of the Association.

ARTICLE XIV

MISCELLANEOUS

15.1. No Reverter. No covenant, condition, restriction or reservation of easement contained in this Declaration is intended to create, or shall be construed as creating, a condition subsequent or a possibility of reverter.

15.2. Notices. Any notice required or permitted to be given to an Owner or resident by the Board pursuant to the provisions of this Declaration shall be deemed given when transmitted pursuant to the notice provisions set forth in the Bylaws to such person's last address as it appears on the records of the Association.

15.3. Construction. The Board shall have the right to construe the provisions of this Declaration, and, in the absence of an adjudication by a court of competent jurisdiction to the contrary, such construction shall be final and binding as to all persons and entities benefited or bound by the provisions of this Declaration except the Declarant.

15.4. Invalidity. The determination by a court of competent jurisdiction that any provision of this Declaration is invalid for any reason shall not affect the validity of any other provision hereof.

15.5. Discrimination. No action shall at any time be taken by the Association or its Board that in any manner would discriminate against any Owner in favor of another.

EXHIBIT B
CODE OF REGULATIONS/BYLAWS
FOR
SANCTUARY COVE HOMEOWNERS ASSOCIATION, INC.

ARTICLE I
GENERAL

SECTION 1. Name and Nature of the Association. The name of the Association shall be Sanctuary Cove Homeowners Association, Inc. and shall be an Ohio nonprofit corporation.

SECTION 2. Membership. Each owner upon acquisition of title to a Lot shall automatically become a member of the Association (a "Member"). Such Membership shall terminate upon the sale or other disposition by such Member of his or her Lot ownership, at which time the new Owner of such Lot shall automatically become a Member of the Association.

SECTION 3. Definitions. The terms used in this Bylaws shall have the same meaning as set forth in the Declaration of Covenants, Conditions, Restrictions and Reservation of Easements (the "Declaration") recorded with the public records of Hamilton County, Ohio (the "County"), unless the context shall prohibit.

ARTICLE II
MEETINGS OF MEMBERS

SECTION 1. Place of Meetings. Meetings of the Association shall be held at the principal office of the Association or at such other suitable place convenient to the Members as may be designated by the Board of Directors either in the County or as convenient thereto as possible and practical.

SECTION 2. Annual Meetings. The first meeting of the Members, whether a regular or special meeting, shall be held within one (1) year from the date of incorporation of the Association. The next annual meeting shall be set by the Board so as to occur no later than thirty (30) days before the close of the Association's fiscal year. Subsequent annual meetings of the Members shall be held within thirty (30) days of the same day of the same month of each year thereafter at an hour set by the Board. The annual meeting of the Members shall be held at a date and time as set by the Board.

SECTION 3. Special Meetings. The President may call special meetings. In addition, it shall be the duty of the President to call special meetings of the Association if so directed by resolution of a majority of a quorum of the Board of Directors or a written petition

signed by at least twenty-five percent (25%) of the total votes of the Association. The notice of special meetings shall state the date, time and place of such meeting and the purpose thereof. No business shall be transacted at special meetings except as stated in the notice.

SECTION 4. Notice of Meetings. It shall be the duty of the Secretary to mail or cause to be delivered to the Owner of record of each Lot a notice of each annual or special meetings of the Association stating the purpose of the special meetings, as well as the time and place where it is to be held. If an Owner wishes notice to be given at an address other than his or her Lot, he or she shall designate such address by written notice to the Secretary. The mailing or delivering of a notice of a meeting in the manner provided in this Section shall be considered service of notice. Notices shall be served not less than ten (10) nor more than sixty (60) days before a meeting.

SECTION 5. Waiver of Notice. Waiver of notice of a meeting of the Members shall be deemed the equivalent of proper notice. Any Member may, in writing, waive notice of any meeting of the Members, either before or after the holding of such meeting. Attendance of any Member at any meeting without protesting, prior to or at the commencement of the meeting, the lack of proper notice shall be deemed to be a waiver by him or her of such meeting.

SECTION 6. Adjournment of Meetings. If any meetings of the Association cannot be held because a quorum is not present, a majority of the Members who are present at such meeting, either in person or by proxy, may adjourn the meeting to a time not less than five (5) nor more than thirty (30) days from the time the original meeting was called. At such adjourned meeting at which a quorum is present, any business which might have been transacted at the meeting originally called may be transacted. If a time and place of the adjourned meeting are not fixed by those in attendance at the original meeting, or if for any reason a new date is fixed for the adjourned meeting after adjournment, notice of the time and place of the adjourned meeting shall be given to Members in the manner prescribed for regular meetings. Those present at a duly called or held meeting at which a quorum is present may continue to do business until adjournment, notwithstanding the withdrawal of enough Members to leave less than a quorum, provided that any action taken shall be approved by at least a majority of Members required to constitute a quorum.

SECTION 7. Voting Rights. Each Lot shall have one vote subject to Section 9.3.1.5 of the Declaration. If only one of several Owners for a Lot is present at a meeting of the Association, that Owner is entitled to cast the vote allocated to that Lot. If more than one of the Owners is present, the vote allocated to that Lot may be cast only in accordance with the agreement of a majority in interest of the Owners. There is majority agreement if any one of the Owners casts a vote allocated to that Lot without protest being made promptly to the person presiding over the meeting by any of the other Owners of the Lot. The Association may adopt rules regarding deadlocks. No votes allocated to a Lot owned by the Association may be cast. Voting at elections and votes on other matters may be conducted by mail.

SECTION 8. Proxies. A vote allocated to a Lot may be cast pursuant to a proxy duly executed by an Owner. If a Lot is owned by more than one person, each Owner of the Lot may vote or register protest to the casting of votes by the Owners of a Lot through a duly executed proxy. An Owner may revoke a proxy given pursuant to this section only by actual notice of revocation to the person presiding over a meeting of the Association. A proxy is void if it is not dated or purports to be revocable without notice. Except as hereinafter provided, a proxy shall terminate one year after its date, unless it specifies a shorter time. If a first mortgagee has been designated a proxy under the terms of a first mortgage covering the Lot, its presentation to the Board of a copy of the mortgage shall be notice of the proxy designation, and if the mortgage so states, of the irrevocability of that designation. Written notice to the Board or notice in a meeting of a revocation of a proxy designation shall not affect any vote or act previously taken. Each proxy shall automatically cease upon conveyance of the Lot.

SECTION 9. Majority of Owners. As used in this Bylaws, the term majority shall mean those votes, Owners, Members or other group as the context may indicate totaling more than fifty percent (50%) of the total number.

SECTION 10. Quorum. Except as otherwise provided in these Bylaws or in the Declaration, those Members present in person or by proxy shall constitute a quorum at all meetings of the Association. Any provision in the Declaration concerning quorums is specifically incorporated herein.

SECTION 11. Conduct of Meetings. The President shall preside over all meetings of the Association, and the Secretary shall keep the minutes of the meeting and record in the minute book all resolutions adopted, as well as a record of all transactions occurring thereat.

SECTION 12. Action Without A Meeting. Any action which may be authorized or taken at a meeting of the members, except the election of Board members, may be authorized or taken without a meeting with the affirmative vote or approval, and in writing or writings signed by not less than a majority of the Members. Any such writing shall be entered into the minute book of the Association.

ARTICLE III BOARD OF DIRECTORS

SECTION 1. Governing Body. Except as otherwise provided by law, the Articles of Incorporation, the Declaration or these Bylaws, all of the authority of the Association shall be exercised by or under the direction of the Board of Directors.

SECTION 2. Number and Qualification of Directors. The initial Board of Directors in the Association shall consist of three (3) persons and shall be those named in the Articles of Incorporation or other such person or persons as may be substituted by the Declarant pursuant to Article XIII, Section 13.3 of the Declaration. At such time as the Owners other than

The Nominating Committee shall consist of a Chairman, who shall be a member of the Board, and two (2) or more Members of the Association. The Nominating Committee shall be appointed by the Board at each annual meeting of the Members to serve from the close of such annual meeting until the close of the next annual meeting. The Nominating Committee shall make as many nominations for election to the Board as it shall in its discretion determine but in no event less than the number of vacancies or terms to be filled. Nominations shall be permitted from the floor. All candidates shall have a reasonable opportunity to communicate their qualifications to the Members and to solicit votes.

SECTION 4. Election of Directors. The Directors shall be elected at each annual meeting of the Members of the Association or at a special meeting called for the purpose of electing Directors. At a meeting of Members of the Association at which Directors are to be elected, only persons nominated as candidates shall be eligible for election as Directors and the candidates receiving the greatest number of votes shall be elected. The Board may adopt rules regarding nominations and procedure for elections. Election to the Board shall be by secret written ballot and at such elections, the Members or their proxies may cast, in respect to each vacancy, such voting power as they are entitled to exercise under the provisions of the Declaration.

SECTION 5. Term of Office; Resignations. Except for those Directors appointed by the Declarant, each Director shall hold office for a term of two (2) years and until his or her successor is elected, or until his or her earlier resignation, removal from office, or death. It is intended by these Bylaws that the terms of the Directors shall be staggered with three (3) Directors being elected in odd numbered years and two (2) Directors being elected in even numbered years. The initial terms of the Directors elected by the Owners shall be adjusted to carry out this intent. Any Director may resign at any time by oral statement to that effect made at a meeting of the Board of Directors or in writing to that effect delivered to the Secretary of the Association, such resignation to take effect immediately or at such other time as the Director may specify. In the event of death or resignation of a Director, his or her successor shall be selected by a majority of the remaining members of the Board and shall serve for the unexpired term of the predecessor.

SECTION 6. Compensation. Members of the Board of Directors shall serve without compensation, except that they may be reimbursed for actual expenses incurred on behalf of the Association.

SECTION 7. Removal of Directors. Except for those appointed by the Declarant, at any regular or special meeting of the Association duly called, any one or more of the members of the Board of Directors may be removed, with or without cause, by a majority vote of the Members, and a successor may then and there be elected to fill the vacancy thus created. A Director whose removal has been proposed shall be given at least ten (10) days' notice of the calling of the meeting and the purposes thereof and shall be given an opportunity to be heard at the meeting. Additionally, any Director who has three (3) unexcused absences from Board meetings or who is delinquent in payment of an Assessment for more than twenty (20) days may be removed by a majority vote of the Directors at meeting, a quorum being present.

SECTION 8. Organization Meetings. The first meeting of the Board of Directors following each annual meeting of the Members shall be held within ten (10) days thereafter at such time and place as shall be fixed by the Board.

SECTION 9. Regular Meetings. Regular meetings of the Board of Directors may be held at such time and place as shall be determined from time to time by a majority of the Directors, but at least two (2) such meetings shall be held during each fiscal year with at least one (1) per every two calendar quarters.

SECTION 10. Special Meetings. Special meetings of the Board of Directors shall be held when called by written notice signed by the President or Secretary of the Association, or by any two (2) Directors. The notice shall specify the time and place of the meeting and the nature of any special business to be considered.

SECTION 11. Notice of Meetings; Waiver. Notice of the time and place of each meeting of the Directors, whether regular or special, shall be given to each Director at least seventy-two (72) hours before the time set for the meeting. Waiver of notice of meetings of the Directors shall be deemed the equivalent of proper notice. Any Director may, in writing, waive notice of any meeting of the Board, either before or after the holding of such meeting. Such writing shall be entered into the minutes of the meeting. Attendance of any Director at any meeting without protesting, prior to or at the commencement of at the meeting, the lack of proper notice shall be deemed to be a waiver by him or her of notice of such meeting.

SECTION 12. Quorum of the Board of Directors. At all meetings of the Board of Directors, a majority of the Directors (in attendance in person, by proxy or via electronic means where each Board member can be identified as such) shall constitute a quorum for the transaction of business, and the votes of a majority of the Directors present at a meeting at which a quorum is present shall constitute the decision of the Board. A meeting at which a quorum is initially present may continue to transact business, notwithstanding the withdrawal of the Directors, if any action taken is approved by at least a majority of the required quorum for that meeting. Notice of adjournment of a meeting need not be given if the time and place to which it is adjourned are fixed and announced at such meeting. At such adjourned meeting at which a quorum is present, any business which might have been transacted at the meeting originally called may be transacted.

SECTION 13. Conduct of Meetings. The President shall preside over all meetings of the Board of Directors, and the Secretary shall keep the minutes of the meeting and record in the minute book all resolutions adopted, as well as a record of all transaction occurring thereat.

SECTION 14. Open Meetings. All meetings of the Board of Directors shall be open to all Members of the Association, but Members other than the Directors may not participate in any discussion or deliberation unless expressly so authorized by a majority of a quorum of the Board.

SECTION 15. Executive Session. The Board may, with approval of a majority of a quorum, adjourn a meeting and reconvene in executive session to discuss and vote upon personnel matters, litigation in which the Association is or may become involved, or orders of business of similar nature. The nature of any and all business to be considered in executive session shall first be announced in open session.

SECTION 16. Action Without A Meeting. Any action which may be authorized or taken at a meeting of the Board of Directors may be authorized or taken without a meeting with the affirmative vote or approval, and in writing or writings signed by all the Directors. Any such writing shall be entered into the minute book of the Association. An explanation of the action taken shall be posted at a prominent place or places within the Property within three (3) days after written consents of all the Board members have been obtained.

SECTION 17. Voting By Directors. A Director who is present at a meeting of the Board or any committee meeting when corporate action is taken shall be deemed to have assented to the action taken unless:

a) He or she objects at the beginning of the meeting (or promptly upon arrival) to holding it or transacting business at the meeting;

b) His or her dissent or abstention from the action taken is entered in the minutes of the meeting; or

c) He or she delivers written notice of his or her dissent or abstention to the presiding officer of the meeting before its adjournment or to the Association immediately after adjournment of the meeting. This right of dissent or abstention shall not be available to a Director who votes in favor of the action taken.

ARTICLE IV OFFICERS

SECTION 1. Officers. The officers of the Association shall be a President, Vice President, Secretary and Treasurer. The Board of Directors may elect such other officers, including one or more Assistant Secretaries and one or more Assistant Treasurers, as it shall deem desirable, such officers to have the authority and perform the duties prescribed from time to time by the Board. Any two or more offices may be held by the same person, excepting the offices of President and Secretary. The President and Treasurer shall be elected from among members of the Board of Directors.

The officers of the Association shall be elected annually by the Board of Directors at the first meeting of the Board following each annual meeting of the Members, as herein set forth in Article III. A vacancy in any office arising because of death, resignation, removal or otherwise may be filled by the Board for the unexpired portion of the term.

SECTION 3. Removal. Any officer may be removed by the Board of Directors whenever in its judgment the best interests of the Association would be served thereby.

SECTION 4. Powers and Duties. The officers of the Association shall each have such powers and duties as generally pertain to their respective offices, as well as such powers and duties as may from time to time be specifically conferred or imposed by the Board. The President shall be the chief executive officer of the Association. The Treasurer shall have the primary responsibility for the preparation of the budget and may delegate all or part of the preparation and notification duties to a finance committee, management agent or both.

SECTION 5. Resignation. Any officer may resign at any time by giving written notice to the Board of Directors, the President, or the Secretary. Such resignation shall take effect on the date of the receipt of such notice or at any later time specified therein, and unless otherwise specified therein, the acceptance of such resignation shall not be necessary to make it effective.

ARTICLE V COMMITTEES

SECTION 1. General. Committees to perform such tasks and to serve for such periods as may be designated by a resolution adopted by a majority of the Directors present at a meeting at which a quorum is present are hereby authorized. Such committees shall perform such duties and have such powers as may be provided in the resolution. Each committee shall be composed as required by law and operate in accordance with the terms of the resolution of the Board designating such committee or with rules adopted by the Board and to the full extent permitted by law.

SECTION 2. Executive Committee. The Board of Directors may, by resolution adopted or signed by all of the Directors, appoint an Executive Committee to consist of three (3) Directors. The Board may delegate any or all of its duties to such committee. The Board of Directors may appoint a Design Review Committee which shall be responsible for any plan approval delegated to the Board in accordance with Article IX of the Declaration. In addition, the committee shall develop and promulgate architectural standards and guidelines with respect to those matters that are within the Association's authority to regulate.

ARTICLE VI DETERMINATION AND PAYMENT OF ASSESSMENTS

SECTION 1. Adoption of Budget. It shall be the duty of the Board to prepare and adopt a budget covering the estimated Common Expenses and the various neighborhood expenses of the Association for the coming fiscal year. The budget shall also include a capital contribution or reserve in accordance with a capital budget separately prepared. After adoption of the budget, the Board shall cause the summary of the budget and the Assessments to be levied against each Lot for the following year to be delivered to each Owner. Such summary shall be delivered at least thirty (30) days prior to the start of the fiscal year. The budget and Assessments shall take effect on the first day of the fiscal year.

SECTION 2. Capital Budget and Contribution. The Board shall annually prepare a capital budget, which shall take into account the number and nature of replaceable assets, the expected life of each asset, and the expected repair or replacement cost. The capital contribution required shall be fixed by the Board and included within the budget and assessment, as provided in Section 1 of this Article. A copy of the capital budget shall be distributed to each Owner in the same manner as the operating budget.

SECTION 3. Failure to Adopt Budget. The failure or delay of the Board to adopt a budget as provided herein shall not constitute a waiver or release of the obligation of an Owner to pay the Assessments. In such event, the Assessments based upon the budget last adopted shall continue until such time as the Board adopts a new budget.

SECTION 4. Computation of Assessments. The Assessments for Common Expenses for each Lot shall be determined in accordance with the operating budget and the

capital contribution budget as they apply to the various Lots. Unless otherwise determined by the Board, all Assessments shall be charged on an annual basis.

SECTION 5. Payment, Delinquency and Acceleration. Unless otherwise determined by the Board, all Assessments shall be payable annually. Any installment of an Assessment shall become delinquent if not paid on the due date as established by the Board. With respect to each installment of an Assessment not paid within five (5) days after its due date, the Board may, at its election, require the Owner to pay a reasonable late charge, together with interest at the rate as reasonably determined by the Board calculated from the date of delinquency to and including the date full payment is received by the Association. If any installment of an Assessment is not paid within thirty (30) days after its due date, the Board may, at its election, declare all of the unpaid balance of the Assessment for the then current fiscal year, attributable to that Lot, to be immediately due and payable without further demand and may enforce collection of the full Assessment and all charges thereon in any manner authorized by law, the Declaration and these Bylaws.

SECTION 6. Remedies for Default. If an Owner is in default of payment of an Assessment, the Board may authorize collection through any lawful means, including foreclosure of the lien. Interest and all costs of such collection, including but not limited to court costs, lien fees, and reasonable attorney fees shall be included in the amount due from the Owner and may be collected. The Board may authorize the Association to bid its interest at any foreclosure sale and to acquire, hold, lease, and mortgage and convey any Lot.

ARTICLE VII MISCELLANEOUS

SECTION 1. Fiscal Year. The Association may adopt any fiscal year as determined by the Board.

SECTION 2. Parliamentary Rules. Except as may be modified by Board resolution establishing modified procedures, Robert's Rules of Order (current edition) shall govern the conduct of Association proceedings when not in conflict with Ohio law, the Articles of Incorporation, the Declaration, or this Bylaws.

SECTION 3. Conflicts. If there are conflicts or inconsistencies between the provisions of Ohio law, the Articles of Incorporation, the Declaration, and these Bylaws, the provisions of Ohio law, the Declaration, the Articles of Incorporation, and this Bylaws (in that order) shall prevail.

SECTION 4. Books and Records.

a. Inspection by Members. The membership book, account books and minutes of the Association, the Board and any committee shall be made available for inspection and copying by any Member or by his or her duly appointed representative at any reasonable

time and for a purpose reasonably related to his or her interest as a Member at the office of the Association or at such other place within the County, as the Board shall prescribe.

b. Rules for Inspection. The Board shall establish reasonable rules with respect to:

i. notice to be given to the custodian of the records by the Members desiring to make the inspection;

ii. hours and days of the week when such inspection may be made; and

iii. payment of the cost of reproducing copies requested by a Member.

c. Inspection by Directors. Every Director shall have the absolute right at any reasonable time to inspect all books, records, and documents of the Association and the physical properties owned or controlled by the Association. The right of inspection by a Director includes the right to make extracts and copies of documents at the expense of the Association.

SECTION 5. Notices. Unless otherwise provided in these Bylaws, all notices, demands, bills, statements, or other communications under this Bylaws shall be in writing and shall be deemed to have been duly given if delivered personally or sent by telegram, telecopy, or electronic mail transmission or by United States mail, express mail, or courier service, with postage or fees prepaid:

(i) if to a Member, at the address which the Member has designated in writing and filed with the Secretary or, if not such address has been designated, at the address of the residence of such Owner; or

(ii) if to the Association, the Board of Directors, or the managing agent, at the principal office of the Association or the managing agent, if any, or at such other address as shall be designated by the Board with written notice to the Owners.

In computing the period of time for the giving of a notice required or permitted under the Articles of Incorporation, the Rules and Regulations, or the Bylaws of the Association, or a resolution of its Members or Directors, the day on which the notice is given shall be excluded, and the day when the act for which notice is given is to be done shall be included, unless the instrument calling for the notice otherwise provides. If notice is given by personal delivery or transmitted by telegram, telecopy, or electronic mail, the notice shall be deemed to have been given when delivered or transmitted. If notice is sent by United States mail, express mail, or courier service, the notice shall be deemed to have been given when deposited in the mail or with the courier service.

A written notice or report delivered as part of a newsletter or other publication regularly sent to the Members shall constitute a written notice or report if addressed or delivered to the

Member's address shown in the Association's current list of members, or, in the case of Members who are residents of the same household and who have the same address in the Association's current list of Members, if addressed or delivered to one of such Members at the address appearing on the Association's current list of Members.

SECTION 6. Amendment. Except as otherwise provided by law or the Declaration, this Bylaws may be amended by a majority of the Members. During such time as the Declarant has the right to appoint Directors of the Association pursuant to Article XIII, Section 13.3 of the Declaration, the Declarant shall have the right to veto any amendment to this Bylaws which unreasonably impact Declarant's ability to sell Lots. Likewise, during such period, the Federal Housing Administration or the Veterans Administration shall have the right to veto any amendment, if either such agency is insuring or guaranteeing the mortgage on any Lot.

SECTION 7. Financial Review. A review of the accounts of the Association shall be made annually in the manner as the Board of Directors may decide, provided, however, after having received the Board's report at the annual meeting, the Owners, by majority vote, may require the accounts of the Association to be audited as a Common Expense by a public accountant.

DEVELOPMENT, LLC, an Ohio limited liability company (the "Declarant"), under the following circumstances:

A. On December 14, 2022, Miami Run JV LLC, an Ohio limited liability company (the "Original Declarant") filed the Declaration of Covenants, Conditions, Restrictions and Reservation of Easements for Sanctuary Cove with the Hamilton County, Ohio Recorder which recorded the same in the official records of the Hamilton County Recorder as Document No. 2022-0113121 at Book 14813, Page 00921 (the "Declaration") with respect to the property described on Exhibit A attached hereto (the "Property").

B. On May 24, 2023, the Original Declarant filed the First Amendment to the Declaration of Covenants, Conditions, Restrictions and Reservation of Easements for Sanctuary Cove with the Hamilton County, Ohio Recorder which was recorded as Document No. 2023-0034817, Book 14923, Page 00594 of the official records of the Hamilton County, Ohio.

C. On September 20, 2024, the Original Declarant executed and delivered an Assignment of Rights and Obligations of Declarant for Sanctuary Cove Homeowners Association, Inc., assigning all rights and obligations to J.A. Development, LLC, and filed this assignment with the Hamilton County, Ohio Recorder, and was recorded as Document No. 2024-0066645, Book 15255, Page 01116 of the Hamilton County, Ohio Official Records.

D. Declarant presently owns the real property described in Exhibit B attached hereto (the "Declarant Property") and Ashford Homes, LLC, an Ohio limited liability company ("Ashford") presently owns the real property described in Exhibit C attached hereto (the "Ashford Property"), which combined is more than 75% of the Lots.

E. Pursuant to Section 14.2 of the Declaration, the Declarant may amend the Declaration with the approval of the Owners, owning at least seventy-five percent (75%) of all the Lots.

F. Declarant, as an Owner and as Declarant, and Ashford approve and consent to amending the Declaration subject to the terms and conditions of this Second Amendment.

NOW, THEREFORE, the Declaration is hereby amended as follows:

1. The following is added as Section 4.2.1 of the Declaration:

"The Common Areas, all property constituting any portion of the Surface Water Management System, and all other property owned by the Association, will be subject to easements for the benefit of Owners to maintain, repair, replace and continue any encroachments of improvements originally constructed by a Builder on a Lot, including, without limitation, decks, patios, cantilevers, posts, and all other supporting improvements."

2. The first sentence of Section 6.5 of the Declaration is deleted and replaced with the following:

"Each Lot shall have one vote, provided, however, that each Lot owned by Declarant will have three (3) votes."

3. Section 8.3 of the Declaration is deleted in its entirety and replaced with the following:

"8.3. **Maintenance of Lots.** All Lot maintenance and repair will be the sole responsibility of, and at the sole expense of, the Owner of such Lot. The Association will have no maintenance obligations with respect to any Lot, except as expressly provided for in this Declaration."

4. The following is added after the last sentence of Section 8.6 of the Declaration:

"Notwithstanding the foregoing, the Association, or its agents, may enter upon any Lot at reasonable hours on any day, without notice to the Owner, for the purpose of completing the Association's mowing, weeding, and mulching obligations described in the Declaration."

5. The following is added as Section 8.7 of the Declaration:

"8.7. **Common Roof and Party Wall.** If Owners are unable to agree as to the necessary repairs, replacement and/or the allocation of the costs of such repairs or replacement to a Common Roof and/or Party Wall (collectively, the "Common Improvements"), the Owner requesting the repair or replacement shall submit a written request to the Board to determine whether the repair or replacement is necessary and the allocation of the such costs, along with an administrative fee, as reasonably determined by the Board, to cover the administrative time, costs and expenses of making this determination, which may

include obtaining third party reports and estimates for the repair or replacement. As soon as reasonably practical, the Board shall decide as to (a) whether such repair or replacement is necessary and/or, if applicable, whether such repair or replacement affects only one or both Lots; and (b) the allocation of the cost of the repair or replacement between or among the Owners. If any Owner fails to pay their allocated share of the repair or replacement cost in a timely manner, the Association may (but has no obligation to do so) pay such amount and the non-paying Owner's share of the cost shall then constitute an Individual Assessment upon the Lot owned by the non-paying Owner. Neither the Board nor the Association will have any responsibility or liability with respect to any determination made by the Board as described in this Section. Notwithstanding the foregoing, if an Owner fails to pay his or her share of the costs, the other Owner(s) of adjacent Units shall be entitled to bring suit for contribution from the defaulting Owner(s) and pursue any other rights or remedies available at law or in equity."

6. Part (b) of Section 14.2 of the Declaration is deleted in its entirety and replaced with the following:

E. Declarant presently owns the real property described in **Exhibit B** attached hereto (the "Declarant Property") and Ashford Homes, LLC, an Ohio limited liability company

("Ashford") presently owns the real property described in Exhibit C attached hereto (the "Ashford Property"), which the combined Declarant Property and Ashford Property is more than 75% of all the Lots.

F. Pursuant to Section 14.2 of the Declaration, the Declarant may amend the Declaration with the approval of the Owners owning at least seventy-five percent (75%) of all the Lots.

G. Declarant, as an Owner and as Declarant, and Ashford, as an Owner, approve and consent to amending the Declaration subject to the terms and conditions of this Third Amendment.

NOW, THEREFORE, the Declaration is hereby amended as follows:

1. The title of Section 6.10 of the Declaration (i.e. "Yard Maintenance and Landscaping") is hereby deleted in its entirety and replaced with the following: **"Yard Maintenance, Landscaping, and Snow Removal."**

2. The following is added as Section 6.10.3 of the Declaration:

"6.10.3 The Association, through itself, or its contractors, agents, or representatives, will be responsible for the reasonable removal of snow and ice accumulation from the following areas only: (i) private driveways (including shared driveways) serving individual Lots ("Driveways"); (ii) the sidewalks located within the Common Areas or that are otherwise adjacent to streets maintained by the Association or municipality ("Sidewalks"); and (iii) the walkways located within the Lots that provide access from the driveways to the front porch of each Unit ("Walkways").

Notwithstanding the foregoing:

(i) the Association will only be responsible for removal of snow and ice accumulations when the snow and/or ice accumulation is greater than 2 inches in depth as measured by the Association and/or its snow/ice removal contractor;

(ii) Driveways, Sidewalks, and Walkways, must be free from all vehicles, debris, personal property, persons, and obstructions before the Association provides the snow/ice removal services. The Association will have no obligation to remove snow and/or ice from any driveway, sidewalk, or walkway, if, at the time the removal services are to be performed, any vehicle, debris, personal property, person, or obstruction is located on a driveway, sidewalk, or walkways;

(iii) If a Lot (or portion thereof) is excluded from snow/ice removal services during a particular snow/ice event because the driveway, sidewalk, and/or walkway was not free of vehicles, debris, personal property, persons, or obstructions as required

above, the Association will have no obligation to return to such Lot once those items are removed;

(iv) The Association may, but is not obligated to, provide notice prior to the performance of the snow and/or ice removal services on any Lot;

(v) The Association will provide the snow and ice removal services only on an "AS IS, WHERE IS" basis with no representations, warranties, or guarantees of any kind whatsoever. The Association does not give any representation, warranty or guaranty as to quality of work or the complete removal of snow and/or ice from surfaces, or that any surface will be entirely free from snow, ice, or slippery conditions once snow and/or ice removal is complete; and

(vi) The removal of snow and ice accumulation by the Association will be in accordance with standards and procedures determined by the Board of Directors, and will be subject to weather conditions and contractor availability.

To the fullest extent permitted by law, each Owner and Unit occupant hereby assumes all risk of loss and injury arising from the presence of snow and ice on sidewalks, driveways, walkways, and all other surfaces, whether or not such area has been serviced or cleared by the Association or its contractors. To the fullest extent permitted by law, each Owner, on behalf of themselves, their occupants, and invitees, hereby agrees to indemnify, defend, and hold harmless the Association, its Board of Directors, contractors, employees, agents, representatives, successors and assigns from and against any and all loss, claim, damage, cost or expense (including reasonable attorneys' fees) arising out of or relating to the snow and/or ice removal services provided by the Association as to any Lot. All costs and expenses incurred, or to be incurred, by Association relating to any and all snow and/or ice removal services may, in the sole discretion of the Association, be included with the Annual General Assessment.

The Association is hereby granted a perpetual, non-exclusive easement on, over, across, and upon each Lot for the purposes of performing the Association's duties with respect to the removal of snow and/or ice from Driveways, Sidewalks, and Walkways. The easement runs with the land and is binding upon all Owner, their heirs, successors, and assigns."

3. The following is added as Section 6.10.4 of the Declaration:

"6.10.4 Except for the removal of snow and/or ice from Driveways, Sidewalks, and Walkways (which is the responsibility of the Association, subject to the terms and conditions of this Declaration), the removal of snow and/or ice from all other Lot surfaces, including, but not limited to, front porches and back patios, that are located on, or run across each Lot, is the sole and exclusive responsibility of each

Owner. The Association has no obligation, responsibility, or liability as to the removal of snow and/or ice from any such areas."

4. Except as otherwise amended and modified by this Third Amendment, the Declaration's terms and conditions remain unmodified and in full force and effect. Capitalized terms used in this Third Amendment that are not defined have the same meaning as used in the Declaration. If any provision of this Third Amendment is determined by a court of competent jurisdiction to be invalid, or unenforceable, the remainder of this Third Amendment and the Declaration will continue in full force and effect. In the event of a conflict between any terms of this Third Amendment and the Declaration, the terms and conditions of this Third Amendment will control.
