Homestead Exemptions Filing Announcement

Due to COVID-19, the Wagoner County Assessor’s office will not be available for Homestead Filing in the Ranch House Restaurant this year. The Assessor’s office is trying very hard to accommodate homeowners through their website. You may print the homestead exemption form on their website (link below) and fax it to 918-485-8033 or mail it to Wagoner County Assessor’s Office at 307 E Cherokee, Wagoner, OK, 74467. Forms may also be reviewed and downloaded from the Oklahoma Tax Commission web site. Please keep in mind, all cut off dates for filing your homestead. The form must be received by March 15, 2021.

If Homeowners have any questions, please email assessor@wagonercounty.ok.gov or call 918-485-2367. The Assessor’s office thanks everyone for understanding and they are sorry for the inconvenience. https://www.ok.gov/wagonercounty/Elected_Officials/Assessor/Homestead_Exemption/index.html

Parking in the Street

The Association has been receiving several complaints about residents parking in the street. Forest Ridge Governing Documents state that No vehicle shall be parked on the streets in the Project on a regular basis, or for more than twenty-four (24) hour period except in such areas as may be designated by the Association. The Board further approved in 2018 clarification of “regular basis” in that:

1) More than one twenty-four (24) period
2) More than forty-eight (48) total hours in any ten (10) day period
3) More than sixty (60) total hours in any (30) day period
4) Overnight for more than 2 times in any ten (10) day period. Overnight is if the vehicle is parked any time during one o’clock a.m. and four o’clock a.m.
5) As a friendly reminder, Section 12.6 of Forest Ridge CC&Rs states that if a violation is not corrected within seven (7) days, or the Association has not given the Owner an extension date, the Owner will be fined Fifty Dollars ($50.00) and sent a letter informing the Owner of the fine and if the correction or remedy is not made within an additional seven (7) days, a fine of Twenty-Five Dollars ($25.00) per day will be assessed until the violation is corrected or remedied and until Owner has notified the Association of the correction or remedy of such violation (which correction and remedy of such violation will be inspected and verified by Association).
