Langford Farms

When choosing one of Langford Farm's new single-family homes, you have all of Sumner County recreation at your feet.

Located in Gallatin, Tennessee, about 30 miles north of Nashville, Langford Farm features spacious homes with open-concept floorplans that offer plenty of options for entertaining guests and friends. Choose a one-story or two-story home option, with exteriors in uniquely designed brick finishes.

The nearby Gallatin Civic Center offers an incredible range of options for fitness and fun. You'll have access to boot camp classes, fun cardio dance workouts, a full weight training facility, and group and personal training sessions. Athletes will love the basketball and racquetball courts, full-size indoor track, pickleball tournaments, and more!

On those hot summer days, the whole family will enjoy the Tommy Garrott Aquatics Facility, with its indoor and outdoor pools, splash pads, and three water slides, including a thrilling 57-foot speed slide.

And there's even more fun to be had at Triple Creek Park. Playground equipment, picnic pavilions, and other amenities are spread throughout the 185-acre outdoor recreation area. The park also features tournament-level sports facilities, including football and soccer fields, youth and adult softball fields, baseball fields, and more.

Campers and hikers will appreciate Bledsoe Creek State Park and Old Hickory Lake, with opportunities for hiking, camping, fishing, and more.

For more low-impact fun, check out the Sumner County Museum to learn about the area's rich history. The museum also operates Historic Stonewall, an 1831 antebellum home used for historic tours and events.

And, of course, there are many fantastic options for shopping and dining in downtown Gallatin.

Come home to Langford Farms and enjoy the best of rural living without compromising comfort and convenience.

ABOUT US

Discover the Difference with a Hometown Builder

Founder, Bob Goodall, Jr., established Goodall Homes. Using the homebuilding knowledge he learned from his father, he set out to develop a unique style of homes and communities he hadn't seen being used yet in this area. While Goodall Homes began in 1983, we adapt to the times and different lifestyles around us. We have withstood the test of time and continue to grow!

We continue to thrive by sticking to our 6 Core Values: Glorify God by doing the right thing. Treat others like we want to be treated. Be humble. Relentlessly pursue improvement. Teach every team member to be a business owner. Build a positive team and family atmosphere.

By living by these core values, we get to achieve our company's purpose every day: To create opportunities to improve the lives of our team members, business partners, and customers.

Throughout Nashville, Knoxville, and Southern Kentucky, Goodall Homes designs and builds single-family homes, townhomes, courtyard cottages, and villas — because we realize that “home” has its own meaning to you..... it's a 'lifestyle'. No matter what we build and where, every home that bears the Goodall name carries our pride in craftsmanship, meticulous attention to detail, and personal commitment to our homeowners.
