

# Customer Warranty Request

We hope all is going well with your new home! Hall Quality Homes will be contacting you at your 30 day mark to see how everything is going. During your first month we ask that you please track any items you notice so nothing is missed when you turn in your list.

After your 30 day warranty we ask that you keep track of warranty items that come up over the following months. When you have been in your home for 11 months we ask that you turn in a one year warranty list. This way all items can be tackled during your warranty period.

In case of an emergency or something that can't wait for the 30 day or 11 month timeline don't hesitate to call.

**This list can be turned in via fax, email or mail.**
