

ALL STAR PROGRAM

Calling ALL social media experts! For an exclusive time period, we are offering Agents an incentive to up your likes, and ours too!

We are offering **\$250** to the agent *if* your social media post is mentioned by an agent's client that has seen your post, caught their attention, and brought them to one of our sites currently open for sale. This would be the "where did you hear about us" question we will ask.

Your post needs to be on-site at one of our locations that is currently open for sale. Capture images or a reel of the site/homes. We leave the creative direction to you as long as you tag us in your post!

Disclaimer: This incentive only applies to agents. To receive this incentive, the post must have Veranda Homes tagged.
