11-month Service / Warranty Request

Description of Items to Be Corrected

This image shows a single sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins or other markings on the paper.

Should you feel the need for McGuinn Homes to perform any drywall or caulking services, we recommend waiting until the end of your first year, following closing, as we will perform this service **ONLY ONE TIME** during your warranty period. PAINT – Be aware that the paint color will fade, darken or change due to exposure to light, smoking, cooking and other interior conditions. Touch-ups may not match the surrounding area exactly, even if the same paint is used. If a repair needs to be made, exact color matches cannot be guaranteed.

Date

Our scheduled maintenance hours are Monday through Friday, 8:00 AM-5:00 P
