COVENANT FOR MAINTENANCE ASSESSMENTS

Section 1. Creation of the Lien and Personal Obligation of Assessments. Each Lot Owner within the Properties, except Declarant, or Declarant's assignee, hereby covenants, and by acceptance of a deed or other transfer for a Lot, whether or not it shall be so expressed in such deed or transfer, is deemed to covenant and agree to pay to the Association: (a) monthly, quarterly and/or annual assessments or charges, and (b) special assessments for capital improvements, such assessments to be established and collected as hereinafter provided. Declarant shall be responsible for the maintenance costs of the Association incurred over and above assessed amounts payable to the Association by Owners other than Declarant until Declarant transfers control of the Association. Maintenance cost overruns funded by Declarant are obligations of the Association and shall be repaid by the Association to Declarant. The periodic and special assessments, together with interest, costs and reasonable attorney's fees, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with interest, costs and reasonable attorney's fees, shall also be the personal obligation of the person, other than Declarant, or Declarant's assignee, who was the Owner of such property at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to successors in title unless expressly assumed.

Section 2. Purpose of Assessments.

(a) The assessments levied by the Association shall be used exclusively to promote the recreation, health, safety and welfare of the residents of the Properties, and for the improvement and maintenance of the Common Area, as defined herein, including but not limited to the cost of labor, equipment, materials, landscaping, signs, management and supervision, payment of taxes assessed against the Common Areas, the procurement and maintenance of insurance in accordance with the Bylaws and in such amount or amounts as is customarily and normally maintained in subdivisions within the area, the employment of attorneys to represent the Association when necessary, and such other needs as may arise. The Association shall maintain, operate and repair the open spaces and Common Area and landscape amounts, including gates, walls and landscaping in such areas.

(b) Declarant may construct certain recreational facilities on part of the Common Area for the benefit of the lot owners in Bent Creek and the members of the Association. The Association shall execute and deliver to Declarant a promissory note in the principal amount of \$250,000.00, without interest payable in equal monthly installments over eight (8) years, to repay Declarant for a portion of its costs incurred in constructing those recreational facilities. That promissory note shall be secured by a deed of trust on the portion of the Common Area occupied by said recreational facilities. A portion of the assessments provided for in this article, such portion being in the amount of \$10.00 per month per Lot that is then subject to an assessment, shall be paid by the Association to Developer to pay the promissory note. In the event the recreational facilities are not constructed, then the promissory note shall be returned by Declarant to the Association.

Until Class B membership ceases and is converted to Class A membership, Declarant or its nominee shall administer the assessments and receipts therefrom.

Section 3. Special Assessments for Capital Improvements. In addition to the annual assessments authorized above, the Association may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Area, including any fixtures and personal property related thereto, provided that any such assessment shall have the assent of two-thirds (2/3rds) of the votes of each class of members who are voting in person or by proxy, at a meeting duly called for this purpose.

Section 4. Notice and Quorum for Any Action Authorized Under Section 3. Written notice of any meeting called for the purpose of taking any action authorized under Section 3 shall be sent to all members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting. At the first such meeting called, the presence of members or of proxies entitled to cast sixty (60%) percent of all the votes of each class of membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 5. Uniform Rate of Assessment. Except as specifically provided herein, both annual and special assessments must be fixed at a uniform rate for all Lots, except for the Lots owned by Declarant, or Declarant's assignee, and may be collected on a monthly, quarterly or annual basis. The Board of Directors may at its discretion waive the assessment for any year or portion of a year for any Lot not occupied as a residence.

Section 6. Date of Commencement of Annual Assessments: Due Dates. The annual assessments shall commence as provided for herein. The first annual assessment shall be adjusted

according to the number of months remaining in the calendar year. The Board of Directors shall fix the amount of the annual assessment against each Lot at least thirty (30) days in advance of each annual assessment period. Written notice of the annual assessment shall be sent to every Owner subject thereto. The due dates may be established by the Board of Directors. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid. A properly executed certificate of the Association as to the status of assessments on a Lot is binding upon the Association as of the date of its issuance.

Section 7. Effect of Nonpayment of Assessments: Remedies of the Association. Any assessment not paid within thirty (30) days after the due date shall bear interest from the due date at the lesser of the rate of ten (10%) percent per annum or the maximum interest rate allowed by applicable law. The Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the Lot(s) in question. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of any of the benefits of Association membership or abandonment of such Owner's Lot.

Section 8: Subordination of the Lien to Mortgages and Deeds of Trust. The lien of the assessments provided for herein shall be subordinate to the lien of any mortgage or deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to mortgage or deed of trust foreclosure or any proceeding in lieu thereof, shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof.

ARTICLE V

As minimum threshold requirements, the general contractor constructing the residential structure on any Lot shall have been in the construction business for a period of one (1) year and must have supervised the construction of or built a minimum of six (6) homes. Approval shall be based upon, among other things, adequacy of site dimensions, harmony of external design with neighboring structures, and uses; upon relation of topography, grade and finished ground elevation of the Lot being improved to that of neighboring Lots; upon proper facing of main elevations with respect to nearby streets; and upon conformity of the plans and specifications to a traditional architectural theme as contemplated by Declarant. ARTICLE XIII

GENERAL PROVISIONS

Section 1. Enforcement. The Declarant, the Association or any Owner shall have the right to enforce, by any proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens and charges now or hereafter imposed by the provisions of this Declaration, including the right to prosecute an action or other proceeding against any defaulting Lot Owner for enforcement of any lien and the appointment of a receiver for the Lot and ownership interest of such Lot Owner, or for damages or injunction or specific performance, or for judgment for payment of money and collection thereof, or the right to sell the Lot through judicial process, or for any combination of remedies, or for any other relief. All expenses of the Declarant, the Association or any Owner in connection with any such action or proceedings including court costs and attorneys' fees and other fees and expenses and all damages, liquidated or otherwise, together with interest thereon at the lesser of ten (10%) percent per annum, or the highest rate then allowed by applicable law, until paid, shall be charged to and assessed against any such defaulting Lot Owner, and shall be added to and deemed part of the assessment to which the Lot in question is subject, and the Declarant, the Association or any Owner shall have a lien for all of the same, as well as for nonpayment of the assessment to which the Lot in question is subject, upon the Lot of such defaulting Lot Owner and upon all of such Owner's additions and improvements thereto and upon all of such Owner's personal property on the Lot or located elsewhere in the Properties, provided, however, that such lien shall be subordinate to the lien of a recorded mortgage or deed of trust on the interest of such Lot Owner, except for the amount of the proportionate share of the assessment to which the Lot in question is subject which becomes due and payable from and after the date on which the said mortgage or deed of trust owner or holder either takes possession of the Lot, or

accepts a conveyance of any interest therein (other than as a security). In the event of any such default by any Lot Owner, the Declarant, the Association or any Owner shall have the authority to correct such default, and to do whatever may be necessary for such purpose and all expenses in connection therewith shall be charged to and assessed against such defaulting Owner and Lot. Any and all such rights and remedies may be exercised at any time and from time to time, cumulatively or otherwise, by the Declarant or the Association. This paragraph shall not be amended, changed, modified or rescinded without the prior consent of all holders of record of mortgages and deeds of trust against Lots in the Properties.

The violation of any restriction, condition or regulation adopted by the Association or the breach of any covenant or provision herein contained, shall give the Declarant or the Association the right, in addition to any other rights provided for in this Declaration: (a) to enter (either peaceably or forcibly without liability to such Lot Owner for such entry) upon the portion of a residence thereon, or as to which such violation or breach exists and to summarily abate and remove, at the expense of the defaulting Lot Owner, any structure, thing or condition that may exist thereon contrary to the intent and meaning of the provisions hereof, and the Declarant or the Association, or its employees or agents, shall not thereby be deemed guilty in any manner of trespass; or (b) to enjoin, abate or remedy by appropriate legal proceedings, either at law or in equity, the continuance of any breach; or (c) to take possession (either peaceably or forcibly without liability to such Lot Owner for such entry) of such Lot Owner's interest in the Properties and to maintain an action for possession of such Lot in the manner provided by law.

If any Lot Owner (either by such Owner's own conduct or by the conduct of any other occupant of the Lot) shall violate any of the covenants or restrictions or provisions of this Declaration or the regulations adopted by the Association, and if such default or violation shall

continue for ten (10) days after notice to the Lot Owner in writing from the Association or shall occur repeatedly during any ten (10) day period after such written notice or request to cure such violation from the Association, then the Board shall have the power to issue to said defaulting Owner a notice in writing terminating the rights of the said defaulting Owner to continue as a Lot Owner and to continue to occupy, use or control such Owner's Lot and thereupon an action in equity may be filed by the Association against said defaulting Owner for a decree of mandatory injunction against such defaulting Owner or any occupant, or in the alternative, for a decree declaring the termination of said defaulting Owner's right to occupy, use or control the Lot owned by such Owner on account of said violation, and ordering that all the right, title and interest of said defaulting Owner in the Lot shall be sold (subject to any existing deed of trust or mortgage) at a judicial sale upon such notice and terms as the court shall determine, except that the court shall enjoin and restrain the said defaulting owner from reacquiring such Owner's interest at such judicial sale. The proceeds of any such judicial sale shall first be paid to discharge court costs, court reporter charges, reasonable attorneys' fees and all other expenses of the proceeding and sale, and all such items shall be taxed against said defaulting Owner in said decree. Any balance of proceeds, after satisfaction of such charges and any unpaid assessments hereunder or any liens, shall be paid to said defaulting Owner. In addition to the other remedies provided for herein, in the event of a default by a Lot Owner in the payment of such Lot Owner's respective share of the common expenses which default continues for a period of ninety (90) days, the Association shall have the power and authority to place such Lot Owner's name on a list of delinquent Lot Owners, which list may be posted at a place designated by the Association for notices. Failure by the Association or by any Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

Section 2. Severability. Invalidation of any one of these covenants or restrictions by judgment or court order shall in no wise affect any other provision which shall remain in full force and effect.

Section 3. Amendment. The covenants and restrictions of this Declaration shall run with and bind the land for a term of twenty (20) years from the date this Declaration is recorded, after which time they shall be automatically extended for successive periods of ten (10) years. This Declaration may be amended by an instrument signed by not less than seventy-five (75%) percent of the Lot Owners. Any amendment must be recorded. Notwithstanding the foregoing, Declarant shall have the unilateral right to make any amendments to this Declaration it may deem necessary or proper for the purpose of annexation of additional property into this instrument or for completion of the Properties, as may be required to obtain Fannie Mae approval for this subdivision, or to otherwise exercise Declarant's unilateral rights to amend this Declaration as provided herein.

Section 4. Easements. Declarant reserves the right to create any additional easements, or modify existing easements, necessary for the development of the Properties for a period of fifteen (15) years from date hereof. Upon request of Declarant, any Lot Owner shall grant such additional easements, or modifications of easements, as Declarant may require. All easements shall be established as set forth on the Plat.

Section 5. Rights of Declarant to Maintain a Sales Office. Declarant, or any other party designated by Declarant, shall have the right to place on any Lot a sales and/or construction trailer and to establish in any residence or other building completed on any Lot a sales office with appropriate signs, and any such sales or construction trailer or building may continue to be used until the complete sales promotion and sale of all Lots, and all residences constructed on the Properties to be sold, have occurred, notwithstanding any other provision in this Declaration.

Section 6. Covenants Running with Land. The covenants, conditions and restrictions contained herein shall run with the land encumbered hereby and shall be binding upon all parties having or acquiring any right, title or interest in all or any portion of the Properties and shall inure to the benefit of each Owner as herein defined.

Section 7. Personal Liability. No member of the Board or any committee of the Association, or any officer of the Association, or the Declarant, or the manager of the Association, if any, shall be personally liable to any Owner, or to any other party, including the Association, for any damage, loss or prejudice suffered or claimed on account of any act, omission, error or negligence of the Association, the Board, the manager, if any, or any other representative or employee of the Association, the Declarant, or any committee, or any officer of the Association, or the Declarant, provided that such person has, upon the basis of such information as may be possessed by him, acted in good faith, without willful or intentional misconduct.

IN WITNESS WHEREOF, the Declarant has executed this document on this 3rd day of December, 2004.
